INTRODUCTION

HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

Richard and Elizabeth, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant".

This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly -- as much as

ninety-five percent -- by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

Richard and Elizabeth, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Richard, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

Richard, your Life Path is 20/2

The key word in your nature is peacemaker. Richard, you have the soul of an artist. You are extremely sensitive, perceptive, and a bit shy. These qualities are both your strengths and weaknesses, for while you possess enormous sensitivity to your feelings and those of others, that same sensitivity can cause you to hold back and repress your considerable talents. Sensitivity and perceptiveness are among your many fine qualities

Because you intuitively know what people want, or feel, you can be extremely diplomatic and tactful. You are also patient and cooperative. You work well with groups and somehow find a way of creating harmony among diverse opinions.

You enjoy music and poetry and require a harmonious environment.

You have an eye for beauty and a fine sense of balance and rhythm. You have healing capabilities, especially in such fields as massage, acupuncture, physical

therapy, and counseling.

However, your sensitivity can also be your downfall. Richard, your extremely delicate ego bruises easily and can make too much of someone else's thoughtless remarks or criticisms. Because you get hurt easily, you may tend to withhold your own thoughts and contributions to the matter at hand. This can cause you considerable resentment and anger.

Too often, you run from confrontation to avoid a battle.

When you employ your considerable inner strength, you will discover your enormous power and abilities to direct difficult situations toward your own goals. It is the awareness of your inner strength that will give you the courage to use your own personal power when it is needed. You are a sensitive and passionate lover; your perceptiveness makes you aware of your partner's needs and desires, which you are able to fulfill with almost magical delicacy.

However, when you feel you have been mistreated or jilted, you can react with devastating power, sometimes using personal criticisms vindictively. Your awareness, diplomatic skills, and organizational talents give you the ability to bring off difficult tasks. You willingly step out of the limelight to facilitate the success of your endeavor. In truth, you are often the power behind the throne. However, you do not always receive the credit you deserve for the fine work you've done, or your role is underestimated and your accomplishments overlooked. Rather than brood over your losses, you need to confront those who would make less of your contributions and stand up for your accomplishments. You need security and comfort, quiet settings, and the company of loved ones. You are a perfectionist when it comes to your home and work environment. Richard, you have excellent taste which is obvious in your private surroundings. You are a fine companion and possess a good sense of humor. Friends seek you out for your calming and peaceful company. You are a safe haven to other sensitive people, who recognize your compassion and understanding. When you have found your niche in life, you have all the talents and intelligence for great success. Seek out work that allows your sensitive nature to flourish -- be the glue that binds others together.

Elizabeth, your Life Path is 17/8

Elizabeth, you are gifted with natural leadership and the capacity to accumulate great wealth. You have great talent for management in all areas of life, especially in business and financial matters. You understand the material world; you intuitively know what makes virtually any enterprise work. Your talent lies not with the bookkeeping or petty management, but with the greater vision, its purpose, and long range goals.

You are a visionary and a bit reckless. You possess the ability to inspire people to join you in your quest, but often they are incapable of seeing what you see.

Therefore, those around you need your continual guidance, inspiration, and encouragement. You must prod them into action and direct them along the lines of your vision.

You attract financial success more than any other Life Path, but effort is required.

Elizabeth, your challenge in life is to achieve a high degree of detachment, to understand that power and influence must be used for the benefit of mankind. Those born with the Number 8 Life Path, who do not understand the real and relative value of money are bound to suffer the consequences of greed; they run the risk of losing it all!

You must learn to bounce back from failures and defeats. You have the character and resilience of a true survivor. It is not uncommon for a person with your Life Path to experience major reverses, including bankruptcies, financial failure, but you also have the talent and the sheer guts to make more than one fortune, and build many successful enterprises. More than most people, your failures in marriage can be extremely expensive for you.

Despite the difficulties that life presents, you will experience the satisfaction that comes from material wealth and the power that comes with it.

Business, finance, real estate, law, science (particularly history, archeology, and physics), publishing, and the management of large institutions are among the vocational fields that suit you best. You are naturally attracted to positions of influence and leadership -- Politics, social work, and teaching are among the many other areas where your abilities can shine.

You are a good judge of character, which aids you well in attracting the right people to you.

Most 8s like large families and sometimes tend to keep others dependent longer than necessary. Although jovial in nature you are not demonstrative in showing your love and affection.

The desire for luxury and comfort is especially strong in you. Status is very important. You must be careful to avoid living above your means.

Elizabeth, your Life Path treads that dangerous ground where power lies -- and can corrupt. You may become too self important, arrogant, and domineering, thinking that your way is the only way. This leads inevitably to isolation and conflict. The people you run the risk of hurting most are those you love, your family and friends.

Be careful of becoming stubborn, intolerant, overbearing, and impatient. These characteristics may be born early in the life of an 8 Life Path, who often learn these negative traits after suffering under a tyrannical parent or a family burdened by repressive religious or intellectual dogmas.

Those with the 8 Life Path usually possess a strong physique, which is a symptom of their inherent strength and resiliency.

Your Life Path's compatibility is 2 and 8

Richard and Elizabeth, your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is very important to the well-being of your relationship.

Richard is drawn to Elizabeth in part because Elizabeth has great inner strength and the kind of personal power that reveals the possibility of worldly success. Capable and goal-oriented, Elizabeth is a force to be reckoned with. Elizabeth is attracted to Richard largely because Elizabeth recognizes in Richard an emotional and spiritual wealth that may well have remained, at least to some extent, dormant in the life of Elizabeth. Richard lives and experiences life on many levels. Richard knows the heart and the power of emotions. When brought together, the two and the eight's individual innate qualities can produce quite a balanced relationship.

This is a combination with potential to survive for years and years. However, an important detail you both must be attentive to, is that the relation between a two and an eight is often based on illusions, and when such illusions fall apart, the relationship may crash.

The two sees strength, and thinks it will always be there. The eight sees romance and the subtle powers of the heart, and thinks it will last forever. Neither does, of course. Strength eventually dissipates. The heart slowly loses interest. However, that does not mean this relationship doesn't stand a chance. It certainly does. And the key to make it a pleasant, long lasting relationship is to recognize each other for what you are, beyond the obvious. Richard must learn to love not only Elizabeth's strength and capabilities but also Elizabeth's weaknesses. It is important that Richard can love Elizabeth as a whole human being. And Elizabeth, in turn, must learn to love not only the romantic presence, the passion of the heart Elizabeth craves in Richard, but Richard as a whole human being. Few combinations tend to give birth to relationships based on illusions as often as do the two and the eight. But Richard and Elizabeth, don't forget that this is just one aspect of the chart. You both have many other qualities to be brought to the surface, exercised and explored to your mutual benefit. Just keep that in mind, unite your respective strengths and move on to turn yours into a most pleasant, rewarding and long lasting relationship.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number

reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Richard, your Expression is 8

Richard, you have the power and potential to achieve great things. It is both your challenge and your birthright to gain dominion over a small part of the earth. Whatever your enterprise, you strive to be the best and most successful in your field. You are highly competitive and will not rest until you are satisfied that you have bypassed the opposition. You enjoy challenges and rivalry.

You are a realist and a visionary planner. Money and authority are available to you if you are willing to discipline yourself -- generally an inborn talent -- and persevere in the face of the considerable obstacles in your path.

You are dynamic and have a talent for efficiency. You understand the larger picture, see the broader challenges, and know how to marshal your collective resources to address the problems. You delegate responsibility well; it is best for you to leave many of the details to others.

Richard, you are a great leader of people and an outstanding judge of character. You are demanding of those who work for you, often putting things in no uncertain terms: do it my way or don't do it at all!

At the same time, you don't hesitate to reward the faithful and hardworking employee. You are not a particularly tolerant leader; too much tolerance violates your sense of efficiency. You go directly after your goal with courage and tenacity.

You have a natural understanding of money, authority, and power. You are able to struggle consistently after your goal. Eventually power falls to you. Within you lies an innate balance between the higher and lower characteristics of man. Your challenge in life is to balance your higher ideals and your understanding of the hard realities of the earth.

Much effort will have to be put out and many ups and downs experienced

before you reach the level of success you desire. Life will probably test you many times with obstacles that seem insurmountable. But in reality, these are merely opportunities for you to learn how to use power and authority in the face of difficulties, and to find out just how much power lies within you.

It is crucial for your success that you balance the material and the spiritual. You have chosen a path that requires balance between giving and taking, reward and punishment, action and reaction. Despite the obstacles on your path, you are a true survivor.

When focused exclusively on your desire for results and success, you can become stubborn and intolerant; you can be driven by excessive ambition, causing you to be exacting and without perspective. Be careful of your alcohol consumption, a danger-zone for you. Richard, you can be a social drinker, mixing business with pleasure -- a dangerous cocktail.

An excellent manager, organizer and administrator you have talents in many areas of life. Entrepreneurs, executives, bankers, brokers, negotiators, gamblers, coaches, collectors, heads of institutions, builders, art dealers, manufacturers, promoters, military officers, police detectives, smugglers, engineers, pilots or sea captains.

You have been entrusted with special gifts, the use or abuse of which has an immediate and often physical effect upon you and those around you! Use these gifts for the good of mankind and accept your own good fortune with gratitude. This is your rewarding stage in your evolution. Yours is a life time of harvest

Elizabeth, your Expression is 11/2

Elizabeth, yours is the most highly charged Expression number of all. You are like a lightning rod, attracting powerful ideas, intuitions, and even psychic information like unpredictable bolts.

You are a powerful presence without any awareness on your part of having personal power. You are a channel for higher vibrations. But in order to be emotionally and psychologically at peace, you must learn to control that flow of energy. You possess a bridge between the unconscious and the conscious. The trouble is that the unconscious is an infinite resource, while consciousness by definition is a limited arena. The two are therefore at odds until they can learn to live in harmony with each other. This is where control comes in. Until you are able to control the flow of energy from this infinite source, you may feel like a victim of its whimsy, thrown about by emotional turmoil and nervous tensions.

Elizabeth, you have always sensed that you are different, but it was an indefinable feeling. You are enormously sensitive and aware, especially as a child. This made you vulnerable to all conflicts and painful situations. For most of your upbringing, however, you did not realize that other people did not possess the same sensitivity, nor did they see the same things you were seeing. This

caused a great reservoir of emotion that was dammed up behind an inability to express your feelings, even to yourself. For this reason, most 11 Expressions have a difficult childhood. Your extreme sensitivity made you very shy as a child. This usually manifests in adulthood as hesitation and acute vulnerability. You are very careful about sharing your feelings with others and choosing your friends.

You compensated for your sense of separation in childhood by creating an elaborate fantasy world. You daydreamed more than other children. You have a lively imagination and even in adulthood have a hard time separating reality from fantasy.

Elizabeth, your challenge is to bring forth your primitive, earthy strength. You need to be grounded in order to deal with your lightning bolts. The more you are able to call upon your inherent human strength, the greater your capacity to take advantage of your extremely sensitive awareness. Once this is accomplished, your antagonist becomes your benefactor.

You are highly emotional and dependent upon relationships. Emotionally, you go up and down with the fortunes of your love life.

You are idealistic, impractical, and at times disorderly. You are often unrealistic in your expectations.

Your reasons for doing things are usually born of a mixture of logic, emotion, and intuition, which can rarely be explained satisfactorily to your more rational associates.

The 11 Expression is the number most dependent upon other core numbers in your chart for insight into your vocation. The 11 charges every area it enters, but it needs a grounding vocation and discipline to be effective.

A balanced 11 is one of the most unique and impressive of all people. It is gifted with insight and illumination, which it can transmit to others. This makes you a natural teacher in whatever area you enter.

Your Expression's compatibility is 8 and 2

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects "the path you walk on," and should be seen more as a powerful influence than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict

earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

Richard and Elizabeth, as you may have noticed, the numbers that define the compatibility of your Expression are identical to the numbers found under your Life Path's compatibility - with the important difference that in this part of the chart, Richard has Elizabeth's number and Elizabeth has Richard's number.

What this means, is that the qualities described in the section under Life Path apply here too, but the attributes recognized as belonging to Richard now also fit Elizabeth and vice versa. And in equal measures. This is somewhat uncommon and the result is difficult, if not impossible, to predict. To use an analogy, you might say that the Life Path reveals that Richard brings blue into the relationship, and Elizabeth adds yellow. The result is green. At the same time, the Expression shows that in this part of the chart Elizabeth contributes the blue and Richard adds yellow. Again, the end product is green. Now you have twice the green, with each of you bringing in similar attributes in equal amounts.

Read the compatibility section under the Life Path again, but this time replace Richard with Elizabeth and Elizabeth with Richard. In addition, all the qualities and traits, positive as well as negative, described in the compatibility section of the Life Path should be given considerably more weight.

When two people have a "reversed recurrence" of numbers, such as appears in your compatibility chart, Richard and Elizabeth, the effect tends to be either very good or very bad. There is no middle ground. All the qualities are intensified; the positive as well as the negative. Keys to maintaining a positive relationship therefore are your ability to compromise and to be tactful at all times. And most importantly, to avoid stressful confrontations through awareness and sensitivity.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general

direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Richard and Elizabeth, your Heart's Desire is 6

Richard and Elizabeth, you both have the same number in this part of the chart. The following text therefore applies to both of you.

Richard, your attention is directed to helping and caring for those you love. You are exceedingly domestic. You love your home and family and work hard to make both comfortable and secure. Your love for family and friends is a major source of your happiness and sometimes unhappiness.

Your desire to help others is so strong that you often find yourself sacrificing your own personal needs for someone else's. You can overdo it, becoming too deeply involved in other people's lives. You risk interfering in personal matters and or smothering those you love in too much affection. This can be especially weakening to children, who never experience their own personal strength if an adult is too protective.

You are extremely loyal and rarely let anyone down. You need to feel appreciation for your giving and caring. You want to know that you are needed.

Richard, you are generous and very forgiving. You are somehow able to overlook the worst mistakes in another and find enough good in that person to continue the relationship.

You are patient, warm, and sympathetic, sometimes to the point of sentimentality.

You have a natural ability as a counselor and healer. You are an excellent listener, compassionate and understanding. You are able to both sympathize and empathize with a person's dilemma. Your challenge as a counselor is to be adequately educated so that you can do more than provide a sympathetic ear or shoulder.

You possess a great deal of artistic talent, though you may not have a lot of confidence in your ability. Art gives you a great deal of pleasure and satisfaction. You are especially sensitive to your environment and have a knack for creating an artistic, healing, and harmonious atmosphere in your home or work space.

Richard, your deepest intention is to love those around you, and be loved in return. Six is the most loving of all numbers, especially in one-to-one relationships. Your instincts are toward your family and friends. You envision a

beautiful and harmonious life with love as the basis for all social interaction. Your love is returned manifold; people appreciate you and the love you give, and are willing to go to great lengths to keep you close at hand.

Your Heart's Desire's compatibility is 6

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

Richard and Elizabeth, as a rule of thumb, relationships fare better when the core numbers found in the same location in a chart are not the same. An exception to this rule of thumb is the six, considered the most harmonious of all, the most loving and committed of all numbers, and rightly so!

Richard and Elizabeth, you both commit strongly to a romantic relationship.

There is nothing you want more than to make the other person happy, to take care of and comfort your partner. You are dedicated to the point of being willing to sacrifice much of your own needs and desires towards this commitment.

You love kids, family, friends, and your local community. Your need to distribute love and comfort is such that, most probably, you will both get involved in something related to healing, teaching, counseling, or the arts.

Richard and Elizabeth, you must keep in mind that other numbers also play an important role in your relationship. However, even if some of those numbers are considered incompatible and bring in any negative influences, such influences will be at least in part diluted by the strongly compatible relationship found in this aspect of your charts.

There are instances, though, when the energy of the six may become overbearing, causing the relationship to shift from committed to co-dependent. This may happen, Richard and Elizabeth, if you allow your extremely protective feelings towards each other to cloud your judgment. Therefore, it is important that you maintain your individuality and your ability to find happiness and contentment in your own life without depending on your partner or anyone else. Jealousy is another possible danger you should guard against. The same protective feelings mentioned earlier, if out of control, can make one possessive, giving rise to jealousy and distrust; two human traits that have caused so much harm among people who, under normal circumstances, have no reason to experience such negative thoughts and feelings. Therefore, if you catch yourself doubting your partner's faith with no real cause, step back and look at the situation as objective as possible.

Richard and Elizabeth, the six found in this part of your chart is a powerful asset to the relationship. It is a number that brings harmony and love to all other

numbers. Make good use of this blessing and you will live a beautiful romance while distributing love and care not only to your own family but to your friends and community as well.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Richard, your Personality is 11/2

Richard, you appear friendly and unpretentious. You have a soft and warm exterior. Others perceive you as gentle, safe harbor. People are drawn to you because, among other reasons, you appear warm and unthreatening.

Your dress is neat and clean. Richard, your clothing should be comfortable, soft, and flowing. You should avoid plain and understated clothes. Make an effort to be a little more daring and exciting in your appearance. This will balance nicely with your perceptive and open personality.

The opposite sex is attracted to your gentle and attentive nature, yet senses the passion beneath your surface. You have sex appeal.

Exercise is important to your appearance and to promote the level of strength you radiate.

You are very patient and understanding, and a wonderful listener. You make others feel important and loved.

You are sensitive and become tense in a disharmonious atmosphere. You have experienced quite a bit of negative criticism as a child, which made you shy growing up. Though you may be well past that shyness, a bit of the vulnerability has remained with you and is often sensed by others.

Richard, you are a peacemaker. Arguments leave you drained. People sense your desire for harmony. But you must avoid being the blank tablet for others' projections. People may underestimate your strength, but this is a mistake. You are strong. You bend, but don't break.

You have a fine sense of beauty and excellent taste. There is a grace in your movements, reflecting your keen sense of harmony and refinement.

Elizabeth, your Personality is 14/5

Elizabeth, you are a stimulating person. You brighten social gatherings with your fresh and original ideas. Your conversation tends to be sprinkled with novelty and wit.

You have a quick tongue and charisma. You are probably an excellent salesman. There is a lot of nervous energy within you looking for an outlet.

You love your freedom and you see this life as an ongoing adventure. You are upbeat and optimistic. This is infectious for those you meet. As a result, you inspire others.

You have a strong and attractive body, with good muscle tone. Your movements are supple, graceful, and athletic.

Elizabeth, your bane is that you love to indulge your senses with food and drink and can easily gain weight. You have an appetite for anything that stimulates the senses -- sex, food, alcohol, and drugs. Discipline is a necessity for you. The negative side of a 5 Personality Number can give rise to an addictive personality.

You like to dress fashionably and can get away with more colorful clothes. However, you should be aware of the value of quality and the power of modesty.

You are a little irresponsible and quick in satisfying your sensual urges. You are attractive and that, coupled with your innate ability to promote yourself, makes it easy for you to satisfy your desire for new and exciting relationships.

You have a kind of swashbuckling personality. People see you as the adventurer that you are. They expect the unexpected from you, and when they don't you often surprise them.

You have a quick and eclectic mind. You attract information from all directions, but you can be a bit superficial, skimming over the surface of a wide diversity of subjects. This may cause you to be a bit of a dilettante. You can get away with it much of the time, but for your own success and happiness, you should try to ground knowledge and deepen your understanding.

Elizabeth, your versatility and adaptability make you capable of getting the most out of virtually every opportunity in life. You decide quickly on a course of action and your timing is usually good. You radiate with the potential for success, which attracts others who can further you along your path.

Your Personality's compatibility is 2 and 5

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

Richard and Elizabeth, this aspect of the chart requires some special attention since, as a rule of thumb, the two and the five found in the same part of the chart make for short-lived relationships. They simply do not understand each other. In fact, they do not really like each other.

The fact that you have a relationship means that other numbers are making up for the usual discordance that prevails between these two numbers. However, it is important to emphasize that the two and the five are only disharmonious when they are found in the same location in the chart. This disharmony does not exist when they are not in the same location. For example, a 2 Life Path can be quite harmonious with a 5 Heart's Desire.

That being said, we should concentrate on where the discordance comes from and how it can be deflected and rendered harmless.

To do that, let's think of Richard as water and Elizabeth as fire. In a controlled environment, each of them has a purpose that can be used to benefit the other. But, when they occupy the same space, one is going to destroy the other. The fire makes the water evaporate, or the water will kill the fire.

The lesson here is simple. Don't get in each other's way.

Yours can be a strong, lifelong relationship, if you are both willing to accept the other person as is. So, don't ever try to change your partner in any way and make every effort to lead your respective lives in as independent environments as possible so that your individual purposes can be beneficial and advantageous to the other.

Richard understands and respects the world of emotions, feelings, and intuitions and is fully aware of the fact that those are, in a very real sense, the bottom line. This is where life pays its dividends. No matter what else is happening in your life, payment comes in "how you feel", your happiness, your contentment as a human being.

Elizabeth relates to the world of dynamic action, impulsive decisions, and risky adventures. Keeping in perspective that this is only one aspect of the chart, Elizabeth thrives on energies causing motion, causing changes, causing excitement. And Elizabeth will not be slowed down by something as banal as being careful, or by the possibility that someone might not be comfortable with the kind of turmoil Elizabeth generates.

Richard and Elizabeth, do not forget that other numbers play in your relationship. Therefore, this particular aspect of the chart can be largely offset if you succeed in maintaining some distance, a fairly practical separation of lifestyle and environment. You must keep in mind that your combination of numbers requires that your relationship be one of sharing and caring -- as in a community setting, a

community of two -- rather than a relationship where everything is merged and experienced together.

PERSONAL YEARS

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. Richard, your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Below is a description of your current Personal Year. It indicates where you are on the 9 year Epicycle.

The Personal Years form the building steps that mark your progress through life.

Richard, your Personal Year for 2015 is 2

Richard, this is a year to carefully protect and nurture your plans. You will be like a mother watching over her children, conscious of every threat, real or imagined.

You need tact and cooperation to keep yourself moving forward. There will likely be confrontations with others, requiring a subtle and gentle approach. You will have to stay focused on your goals, yet use intelligent persuasion. Being forceful may work against you; compromises will work in your favor.

You will be unusually sensitive and may wonder at times what happened to the drive and momentum you felt last year. This year requires something else from you now -- a delicate sense of balance and a willingness to go around obstacles, without losing sight of your goal.

You may experience some emotional depressions and frustrations. The year is marked by struggle, but there are many opportunities to advance your plans.

This is a year of slow growth, requiring patience.

Be discriminating in your associations and secretive about your plans. Don't talk too much about your ideas; be a bit secretive; guard yourself and your ideas. You are somewhat vulnerable this year.

This is a good year to improve yourself through reading and research.

Richard, your growing awareness of the less visible and less obvious aspects of life will make you much stronger and better prepared for the future.

You must be wise in all your relationships and associations this year. You are far more capable of establishing close, even life long relationships this year. Because sensitivity and openness are heightened, many people find their "soul mate" in a two year.

May is the pivotal month in the year. You are extremely intuitive and sensitive. You are also self-reflecting and better able to influence your peers and situation through spiritual awareness. July brings a culmination of plans and a distinct step forward. August sees things become more concrete and brings a new beginning. September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

Elizabeth, your Personal Year for 2015 is 1

Be ready for major changes. Elizabeth, you will be inspired to start new projects or enterprises. You will feel a strong forward push toward new goals.

This is a time for vision and planning. Share your dream with others; make plans, get the necessary support, but, above all, rely on yourself as the driving force. Be decisive!

You are starting a new nine year Epicycle. Everything you do now will affect your future. Do not hold back the inner force of creation. Be direct, daring, and bold.

You will have more confidence and determination this year, particularly in comparison with last year, which was a time of letting go. This year represents a time of birth. It's a time to take charge and to apply yourself to your dream.

This is also a good time to make the personal changes you have long wanted to make: Start a diet and/or an exercise program, or begin a new course of study.

There may be some emotional turmoil, especially in the first two or three months. It takes a while to get the ball rolling. There are many changes you must make and much work to be done.

Be open-minded, organized, and focused. Avoid distractions and procrastination.

Elizabeth, you are at a crossroads. You will need courage and a clear head to stay on the right track.

This is a year of opportunities.

The key months in your year ahead are March, in which you are able to lay the foundation to your plans; April, in which changes take place such as a change of residence or career; July and August mark a time in which you will see the fruits of your labors begin to take place; October represents a major turn in events, often fraught with emotional turmoil; the fall marks a coalescing of your plans into

more concrete form.

Your Personal Year's compatibility for 2015 is 2 and 1

Compatibility is as important with the cycles as it is with character traits. It is possible for a relationship between two people with otherwise very compatible charts to break down as a result of encountering one or more incompatible cycles. However, it is much easier to overcome or avoid possible pitfalls resulting from incompatible cycles than from incompatible personality traits.

Elizabeth, you are entering a period of renewal that brings in new energy as well as a change of direction in your personal life and in your career. You feel motivated and aggressive, perhaps even impatient - nothing moves fast enough for you. Richard, on the other hand, is slowing down somewhat, more concerned about looking for ways to improve relationships with other people. For Richard, this is a time of networking, finding resources, and aligning with others, a time during which emotions and feelings are more important than usual, and Richard may well be a bit more vulnerable in that respect.

These cycles are compatible in most ways and they support each other.

Elizabeth will be the engine of change and progress, while Richard will steer and redirect. However, Elizabeth will have to be sensitive and careful and not expect Richard to be as motivated and driven. In turn, Richard needs to avoid making mountains out of molehills or letting emotions get the better of common sense. Elizabeth may also have to accept the fact that Richard is a bit more demanding than usual.

Richard, your Personal Year for 2016 is 3

This is a year of expansion and personal growth, Richard. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events.

More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus.

It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

Richard, you may travel more than usual, which in all likelihood will be filled with exciting people and pleasure.

Control this years tendencies towards glamour and extravagance, yet allow your self more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

Love is in the air.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

Your Personal Year's compatibility for 2016 is 3 and 2

Elizabeth is experiencing a time when emotions are felt stronger than usual and with more impact. It is as if a protective layer has been stripped, leaving Elizabeth more vulnerable than usual. At the same time, Richard is experiencing a time of inspiration, enthusiasm, and creativity; a light-hearted time when emotions tend to have less impact than they usually do. Richard feels quite confident and won't dwell on emotions as much as during other times. Elizabeth, however, feels them strongly. Often, this translates to mood swings and moments of emotional insecurity and confusion on Elizabeth's part, contrary to Richard who is less sensitive and intuitive.

The result can be confusion and misunderstandings. Richard doesn't understand why Elizabeth is getting so upset about some minor argument, while Elizabeth wonders why Richard seems so unattached and distracted, almost as if Elizabeth's feelings don't matter. This is a time, Richard, to pay close attention to Elizabeth and the relationship you have together. For Elizabeth, it is important not to dwell on emotions. Feelings of neglect are unwarranted, and if Richard seems a bit caught up in other things, that's because Richard feels secure and comfortable enough in the relationship to focus on creative endeavors, social events and people outside the relationship.

Richard, your Personal Year for 2017 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals.

Richard, your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel.

You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility.

You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long.

Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful.

This is the year to work on your foundation and prepare yourself for the many

changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment.

January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. Richard, you may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

Elizabeth, your Personal Year for 2017 is 3

This is a year of expansion and personal growth, Elizabeth. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events.

More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

Love is in the air.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

Your Personal Year's compatibility for 2017 is 4 and 3

Elizabeth and Richard, this is a time when your cycles are pushing you in opposite directions. Actually, this is often the case in your relationship and does not per se reflect a lack of compatibility. For Elizabeth, this is a time to relax and

smell the roses, while Richard needs to keep focused and maintain a high level of effort. It is important that you don't try to change each other's natural inclination to follow the demands of your respective cycles. Richard needs to accept the fact that Elizabeth is not as disciplined and ambitious as usual, while Elizabeth should not try to talk Richard into taking it easy.

Contrary to what one might expect, as a rule of thumb, cycles with a gap of one point, such as three and four or four and five, although moving in different directions, are not per se incompatible. In fact, they often complement each other. Only when couples try too hard to influence each other's lives do these cycles cause stress and unhappiness.

Elizabeth should be allowed to back off a little from the daily grind, while Richard should be supported and encouraged throughout this rather demanding period.

PERSONAL MONTHS

Richard, your Personal Month for January 2015 is 3

Richard, January is a 3 Personal Month in a 2 Personal Year. Hence, the month brings you optimism and energy. The drive and enthusiasm that emerged during the second half of last year is still with you, along with a certain caution born of inner change and the emotional ups and downs that arose during the previous 18 months.

You're aware of your need for support, cooperation, and advice. And this month, you find yourself establishing closer ties and better communication among those with whom you live and work.

Richard, you are also reflective and relaxed. Take time to play and laugh. Reach out to friends and loved ones. Communicate your ideas freely. You and your plans will be supported, which will heighten your optimism about the future.

Romance is an important part of this months' experiences, and the chances are good that you may meet someone special.

Elizabeth, your Personal Month for January 2015 is 2

Elizabeth, January is a 2 Personal Month in a 1 Personal Year. This is not a month to make important choices or decisions without a lot of careful consideration. Begin this process by taking a critical look at your current state of mind.

This is a month of some confusion and self-doubt. More mercurial than usual, you will likely switch from optimism to pessimism, and back again. This is to be expected when you are right in the middle of a major personality overhaul.

January is your first month of a new long-term cycle. Many of the changes you are going through require approximately two years; you have now begun the

second of those years. Elizabeth, your transformation can be compared to a low-level reformat of your inner hard-disk. When the job is done, much of the information is replaced, gaps are closed, and the bugs are ironed out. You can look forward to a time of greater self-confidence, more energy, and a refreshed and more positive outlook on life.

A 1 Personal Year, 2 Personal Month is highly charged in the areas of romance and friendships. You may well meet someone who will touch your heart deeply.

Friendships intensify and can be very comforting and healing.

You will likely find yourself being helpful to others, particularly as a counselor or adviser. The energies implicit in the month give you greater sensitivity to feelings -- yours, as well as those of others.

You will be tactful and capable of creating harmony where there was turmoil. At times, you may be overly sensitive, and may not handle criticism well.

The month starts slowly and with some difficulties. However, once you've passed the mid-point, you increasingly gain confidence, direction, and momentum toward your goals.

Your Personal Month's compatibility for January 2015 is 3 and 2

Relationship compatibility of Personal Month cycles can have a powerful effect. But keep in mind: the cycle is short. So, if you run into turmoil, it helps to remember that it is in the nature of a cycle to be only temporary.

Note: The compatibility between cycles is repetitive, as is the nature of cycles. While the influence of Personal Month cycles represented by the same number, can vary greatly depending on the yearly cycle, the compatibility aspect changes very little. You will therefore find that the compatibility description is the same when, for example, a 3 and 4 Personal Month combination is found in a 5 year, as when it is found in a 6 year.

Therefore, you will find that the possible influence of your Personal Month cycles never repeats itself within any one-hundred-and-eight-month period. However, the compatibility aspect repeats much more often - generally every nine months - but sometimes even less than that, depending on your Personal Year cycle.

Elizabeth is experiencing a time when emotions are felt stronger than usual and with more impact. It is as if a protective layer has been stripped, leaving Elizabeth more vulnerable than usual. At the same time, Richard is experiencing a time of inspiration, enthusiasm, and creativity; a light-hearted time when emotions tend to have less impact than they usually do. Richard, your Personal Month for February 2015 is 4

Richard, February is a 4 Personal Month in a 2 Personal Year. You will realize early this month that progress depends upon your willingness to work diligently and remain focused on details.

You feel capable and confident, but as your effort increases -- and the hours pile up -- you may become frustrated with the slow response of others. Keep your nose to the grindstone, and if necessary put in overtime. Don't try to dodge the bullet; bite down on it and keep going.

Meanwhile, be willing to cooperate, listen to others, and tactfully communicate your convictions, as well as your doubts.

This is an excellent month to improve your financial position, particularly through better management. Through your consistent and patient effort, a raise or profitable business deal is also in the cards.

Relationships tend to be a little shaky for most of this month. Richard, you may be somewhat irritable and lack patience as a result of stress and emotional turmoil in your work-environment.

Maintaining a well-ordered environment and avoiding procrastination will help you bypass much emotional stress.

Elizabeth, your Personal Month for February 2015 is 3

Elizabeth, February is a 3 Personal Month in a 1 Personal Year. It brings objective reasons for optimism. Now there is a sense of promise in the year. You see your direction a little clearer. There is a sense of beginning. This causes you to lighten up and become more social, especially during the latter part of the month. People are attracted to your upbeat attitude. You attract support from unexpected sources.

A new project ignites your excitement, energy, and motivation, all of which you are able to communicate to others.

The real work does not start until next month, and for that reason, this month offers some time for planning, as well as leisure and rest.

You are quick-witted and your sense of humor is enhanced. Friends are drawn to you and there will be plenty of invitations for social events.

Romance is exciting and promising. Elizabeth, your self-expression is improved and you feel more comfortable talking about your feelings, your expectations, and your dreams.

Elizabeth should be allowed to back off a little from the daily grind, while Richard should be supported and encouraged throughout this rather demanding period.

Richard, your Personal Month for March 2015 is 5

Richard, March is a 5 Personal Month in a 2 Personal Year. It brings some relief from last months' frustrating efforts to persuade others and to keep track of the details.

This month will be hectic with some unexpected changes. Don't try to plan everything down to its final detail. Instead, be flexible and adapt to whatever comes your way.

The expression "being in the flow", is instructive for most of this month and you will be astonished by coincidences in which timing is crucial. Don't make financially risky decisions, especially involving business. Checking and double-check all your facts before going forward with your plans. Be skeptical! However, your ability to promote yourself, your plans, or a product is enhanced.

There will be many social events and opportunities. Take advantage of them.

The chances of meeting new people who can support you in your endeavors are especially good.

A letter or phone call from someone you haven't heard from in a long time may surprise you.

It's high noon for romance, but be warned. You may not be as discriminating and cautious as you should be. Allow your rational mind to take a critical look at flattering admirer(s).

Elizabeth, your Personal Month for March 2015 is 4

Elizabeth, March is a 4 Personal Month in a 1 Personal Year and is the time to deliver; to show yourself and everyone involved that you are able and willing to do whatever it takes to reach your goals. It is a month to put your nose to the grindstone and to work on all the details.

This is also a month in which your ability to plan and organize future events is greatly enhanced. So, too, is your clarity of mind. You gain confidence in your abilities and yourself. It's time to move; to make things happen. Do not procrastinate. Do not avoid work or effort.

Slacking would be a serious mistake.

The month can be a little frustrating because so much of your energy will have to be directed to work and details, even routine matters. But this is a time that will likely bring forth an important opportunity, and result in real progress.

It's surprising, therefore, that against such a serious and work-oriented backdrop, romance can bloom. Someone is impressed with your down-to-earth, go-getters approach and your can-do mentality. Elizabeth, you will find yourself in demand.

Your Personal Month's compatibility for March 2015 is 5 and 4

Elizabeth and Richard, this is a time during which you are under very different influences. It is a time of focus, effort, and sometimes frustration and stagnation for Elizabeth, and a time of change, excitement, and dynamic energy for Richard. As a result, Richard is in a position to help Elizabeth to keep moving forward and not get too frustrated by the demands of this cycle, and Elizabeth will be able to function somewhat like an anchor for Richard. Richard can certainly use the stable influence of Elizabeth during this hectic and unpredictable time.

The most positive effect of this combination of cycles is that their combined forces almost always deliver progress and decisiveness. By the end of this cycle, you will realize that you will have established new goals, and a clearer horizon will make it much easier for you to see where you want to go next.

A negative effect you should be aware of is that you may find yourselves moving in such different directions that, at times, you will feel like strangers. Share your

feelings and ideas as much as possible and reach out to each other. Physical closeness and sharing things you both enjoy will help you keep connected on all other levels.

Richard, your Personal Month for April 2015 is 6

Richard, April is a 6 Personal Month in a 2 Personal Year. Matters of the heart come to the foreground.

Romance is now at the top of your list of opportunities.

On the other hand, the month brings instability to outdated relationships, and some may end. You become aware of the need to let go of certain people, although final good-byes may not occur until July or early August of this year.

Richard, your family and friends need more attention and you will likely find yourself playing the roles of mediator, comforter, and counselor. You'll be the one to offer the proverbial shoulder to cry on this month. A younger person, particularly, needs your love and attention.

Your career is guided favorably by the Force. There is an increase in your workload and responsibilities due to a promotion -- or one that may be in the offing. The change may well bring financial rewards.

This is a good time for finances, particularly those related to real-estate.

Elizabeth, your Personal Month for April 2015 is 5

Elizabeth, April is a 5 Personal Month in a 1 Personal Year. It brings change in many practical areas of your life. As explained earlier, this year and last combine to bring about major changes. April brings many of these changes to the surface. They can include a change of residence or in career.

The month often includes travel. You can count on a dynamic month, hectic even, but also adventurous and exciting.

Consequently, the month requires flexibility and a willingness to accept change. Adapt. Respond. Embrace change. The more you allow yourself to flow with the circumstances, the easier and more successful this month will be. Be ready for surprises, but don't worry; the changes will streamline your ship and make your progress easier and more efficient.

Elizabeth, your ability to promote yourself and your ideas is also enhanced. You have an uncanny talent to be in the right place at the right time this month. Both at work and at social events, you'll be able to advertise your talents and abilities. People will be drawn to you.

With all this excitement, it may be hard to concentrate and focus on the job at hand. You'll need self-discipline in order to prevent the scattering of your energy. Unless you concentrate, you may realize at the end of this month that you did not get a lot done.

Romance reveals a self-indulgent and perhaps irresponsible streak in you and should be handled with the utmost care.

Your Personal Month's compatibility for April 2015 is 6 and 5

Elizabeth is in a cycle of change and highly charged energy. Richard is in a cycle of stability and responsibility. Elizabeth's energy is restless and dynamic, Richard's energy is focused and grounded. Elizabeth is looking around for opportunity and adventure. Richard is looking at the home and the family. Richard's attention is focused near by, on the people and things that matter most. Elizabeth's attention is focused away; on work, career, travel and so forth. These cycles are as opposite as two cycles can be, yet they are not incompatible. Within a relationship, these influences complement and balance each other. However, if they get too inner-twined, they will turn on each other and anger and blame are the most likely result. It is important, now more than at almost any other time, Elizabeth and Richard, that you don't try to influence each other too much. Live and let live is the slogan for this month. You probably have realized by now that, more often than not, you are experiencing very different cycles. This is an important aspect of your relationship not limited to this particular cycle. It will always be that way. You should accept the fact that you tend to be influenced by very different energies most of your lives. Therefore, you may just want to make the concept of live and let live a family slogan -- for life. But, as you probably have also realized by now, although the influence of your personal cycles always tend to place you at opposite ends of the spectrum, it also means that you complement each other very well and make a great team when you put your minds to it. In particular when it comes to showing a single front to the outside world.

Richard, your Personal Month for May 2015 is 7

Richard, May is a 7 Personal Month in a 2 Personal Year. The combination leads to powerful self-discoveries and intuitive perceptions. It is a highly spiritual time, causing you to withdraw from the hustle and bustle of daily life. Your focus is inward. You find yourself contemplating the mystery of your own existence, your purpose in life, and your direction.

You find yourself taking time off to read, meditate. Your interests are spiritual, not worldly. It's an excellent time to take a vacation, as long as you avoid group-activities.

Social demands will make you irritable and out of sorts. Be with yourself or enjoy meaningful discussions with someone close to you. In this way, you may deepen your marriage or romantic relationship.

It is a time for wisdom and insights, even premonitions and revelations that

have little to do with intellectual effort, but are the result of heightened awareness and a free-flowing channel between your sub-conscious and your conscious.

Be particularly alert to your dreams and the direction and insight they offer.

Elizabeth, your Personal Month for May 2015 is 6

Elizabeth, May is a 6 Personal Month in a 1 Personal Year. Love is a strong possibility and may require commitment. It is a month of responsibility, unselfish giving, and a willingness to devote time and energy to the needs of others. Domestic and community affairs move to the foreground of your life.

Sometimes, this combination of numbers causes long slumbering discord between couples to surface and be dealt with.

Consequently, this combination can represent both extremes of relationship -- either deeper commitment and more lasting love; or separation and divorce.

Honesty is essential to the positive development of the month. You may find yourself tempted to take the easy way out in some awkward situation. However, white lies can turn ugly and become very destructive, particularly during this time.

In general, this is a good time for career and financial matters, as long as you are wise and careful. Be sure to avoid speculation or chance-taking.

This month may get you involved in a legal affair and, if that is the case, you can look forward to a positive outcome, as long as you stick to the truth and behave honorably.

During a 6 Personal Month, 1 Personal Year, your ethics and moral values -- more than at any other time -- are crucial to your success.

Your Personal Month's compatibility for May 2015 is 7 and 6

Elizabeth and Richard, you are experiencing very different cycles.

On one hand, the influences of the six and the seven complement each other very well. On the other, they create such different needs you may find that there is little common ground between the two of you. You may find that you disagree on just about everything; how to spend your vacation, what kind of car to buy, which of your friends to invite, and so forth. Elizabeth is reaching out to people, Richard is avoiding them. Elizabeth is more extrovert than usual, Richard is seeking peace and quiet.

A positive influence during this time is found in the fact Elizabeth more tolerant and giving, willing to sacrifice here and there to accommodate Richard. This is an important and much needed factor to make this a harmonious time. Richard is not very patient right now and doesn't want to be bothered.

Elizabeth, it is important to remember that if Richard seems a bit cool and distant, this has nothing to do with the relationship. Richard is doing some soul searching

and needs to be given some space and distance. Richard, it is crucial not to forget Elizabeth and not to get lost within yourself to the extent of ignoring the world around you. Pay attention to those you care about, Richard. Your relationship with your friends, your family and with Elizabeth will last a lot longer than this period of self-examination and spiritual exploration.

Richard, your Personal Month for June 2015 is 8

Richard, June is an 8 Personal Month in a 2 Personal Year. Now the time is ripe to reach out and receive some of the fruits of your labors. It is a harvesting time, but the rewards are still dependent upon good relations with co-workers. Ask for a promotion, or a raise. Let those in the right positions know that you value the recognition and respect they bestow upon you.

You are in the right state of mind to deal with some tricky personality-clashes; solve communication problems; turn enemies into friends; and in many ways manipulate events through gentle persuasion. The numbers 2 and 8 allow you to handle sensitive issues with tact and diplomacy, as well as with authority and decisiveness. It is a good time for negotiations in every area of your life, personal as well as professional.

Romance is very favorable, but can be spoiled by money issues. On the other hand, domestic affairs can be troublesome and can leave you feeling powerless unless you are willing to cooperate.

Leave such issues alone for now. The domestic scene is better handled next month, when all dealings with relatives are easier and smoother.

Elizabeth, your Personal Month for June 2015 is 7

Elizabeth, June is a 7 Personal Month in a 1 Personal Year and offers time and opportunity for contemplation and insight.

Career and romance do not require as much attention as your own inner need to understand your motivations and desires. Don't make the mistake of feeling guilty for not carrying your load, or for not working hard enough. This is a month to set aside time for yourself. Look inside, get a better idea of what you want out of life, and don't be afraid to confront yourself. This is a spiritual time and a wonderful opportunity to gain insight into your true motivations and desires.

Your career should not require much attention; just keep up your sails and let the wind take care of the rest.

Financially, this is a time to be conservative. Let friends coast on their own. This is a month to devote to the inner you.

Your Personal Month's compatibility for June 2015 is 8 and 7

Elizabeth, during this time you may feel left behind, perhaps forgotten and ignored. Of course, this is not really the case. It is just that Richard is focused on getting things done, reaching goals, and taking advantage of opportunities, while you, Elizabeth, are drawn to examining your own life, where you are going, and even why you are doing the things you do. Elizabeth and Richard, the fact that your needs and your ambitions are going in different directions does not make this a compatible combination of cycles. Richard is out there, full of plans and visions, while Elizabeth is turning inward.

You may find it difficult to communicate, to find common ground, and to get excited about each other's interests.

This is a time, Richard, when you should not try too hard to get Elizabeth involved with something that interests you. And vice versa. This is a time to keep things simple, and the secret to go through it successfully is to love each other, but don't try to share everything you are doing.

Richard, your Personal Month for July 2015 is 9

Richard, July is a 9 Personal Month in a 2 Personal Year and is both emotional and demanding. This is a month to take care of loose ends. Relationships that have been rocky of late will reach critical mass, to be worked out and deepened, or separated entirely. Actually, this is a testing period for relationships in all areas of your life. The 9 and the 2 combination -- both diplomatic, sensitive, and service oriented -- advises that you avoid confrontations. Work with issues quietly and patiently.

At the same time, it is an excellent period to look inward and acknowledge your own needs and desires. Let go of all that you have outgrown, including people, situations, material objects -- anything that you have out-grown. This month is your opportunity to avoid becoming an emotional and/or material packrat. This is the time to empty your cup in order to make room for new gifts coming your way.

This is a transition period. Richard, you will likely experience deep emotions, even nostalgia and melancholy. At times, you may feel exhausted. Yet, such feelings are not altogether unpleasant. There is a cleansing and healing taking place at a very deep and personal level.

You are not entirely conscious of all that is happening, and consequently you may not be able to express your feelings to others. You may sense that you do not fully understand yourself. Give it time and much will be revealed to you.

An opportunity to be involved in a good cause may present itself and your sacrifice will actually help you achieve stability and inner strength.

This is a good time financially. Some payment may be received for something you'd forgotten, or for reasons you do not expect.

This is a month that requires balance: you are feeling emotional yourself, but at

the same time you must also focus on the needs of others. If you indulge too much in your own feelings, especially self-pity, you will suffer more self-doubt than if you remain balanced between your own needs and service to others.

Elizabeth, your Personal Month for July 2015 is 8

Elizabeth, July is an 8 Personal Month in a 1 Personal Year. Career and finances are at the top of all your priorities. Work hard and wisely. Combine practicality and vision. This is not the time to sit and stare into space, but to be on your toes, to keep your eyes wide open, and refrain from taking any unnecessary risks. For professional gamblers, this can be a very profitable period, but for those of us who live according to the simpler laws of effort and reward, this is a month to stay with the tried and true. All affairs related to money should be handled with the utmost care. But let me be clear: This month is a rewarding time, and your chances that events will take a positive turn are great. If you are wise and cautious, you may increase your bank balance considerably. Nine-out-of-ten people in this combination -- 8 Month, 1 Year -- increase the strength of their financial positions.

This month brings strong emotions in personal relationships. Chances are good that someone has been trying to take advantage of you. Moreover, this realization leaves you disappointed. The situation will eventually be resolved, but the healing will likely take time.

If you are not yet romantically involved, this month may introduce you to someone special through work or business.

Your Personal Month's compatibility for July 2015 is 9 and 8

Elizabeth and Richard, as is often the case within your relationship, your cycles are influencing you in very different - and not altogether compatible - ways. For Elizabeth, this is a time to get out there and shake some trees, make things happen and reap the rewards. So, the advice for Elizabeth during this cycle is: focus on your career, be aggressive in the pursuit of your success.

For Richard, this is a time when everything feels shaky and insecure. Richard needs Elizabeth right now. Richard needs the human contact, the commitment and the security Elizabeth has to offer more than during most cycles. With Elizabeth's focus on the world outside the relationship, and Richard needing Elizabeth's attention more than usual, it takes conscious effort from both of you to prevent disappointments and perhaps even resentment from overshadowing your relationship during this time.

Elizabeth, pay attention to Richard. You too, will experience a time when nothing will seem secure and solid. In fact, your next cycle will bring some of that and you will need Richard's hand then.

Due to the fact that your cycles always tend to be almost one hundred and eighty degrees opposite, Elizabeth and Richard, you have probably learned to adjust to each other's needs. This ability to surrender some of your own needs to those of your partner is the most important key to making your relationship a long and happy union.

Richard, your Personal Month for August 2015 is 1

Richard, August is a 1 Personal Month in a 2 Personal Year. It brings new energy and a kind of restoration of life. There is a feeling of rebirth, excitement, a brightness in the air that wipes away the last residues of last month's bouts of gloominess and self-doubt. You want a change, a challenge, some goal toward which you can direct your enthusiasm.

Well, that's what this month will bring. A new project, career change, something new. Keep in mind, however, that you are planting seeds now that must be nurtured and cultivated over the next year or so. In other words, you must remain focused on this dream to nurture it properly over time.

Don't take chances financially. Your optimism may make you impulsive and vulnerable. Remain cautious and research all propositions brought to you.

Richard, you likely will be introduced to new people and, if you are not already involved, one of them may evolve into a passionate romance. Here, also, the careful approach can save some future heartache. The child in you is very much alive, trusting and believing that everything is what it seems.

While this is a very promising time for romance, keep in mind that a certain amount of rational examination is necessary to protect yourself. Wait until the end of next month before you surrender your heart to the person you are attracted to.

Elizabeth, your Personal Month for August 2015 is 9

Elizabeth, August is a 9 Personal Month in a 1 Personal Year and promises some important changes. The previous year -- a 9 Personal Year and this year, your 1 Personal Year -- are considered a two-year block of time in which much wrapping up of old business, habits, and personal relationships are finally put to rest. This month, your 9 Personal Month in your 1 Personal Year, represents the concluding stage of that two year period. The last quick sweep of outdated concepts and expectations, confusions and doubts is done.

With the beginning of next month, your inner house will be thoroughly cleaned. There will be a few moments of unexplainable emotional upsets, melancholy, and such, but they are essentially the remnants of the old you. Share those feelings with someone close to you. Take comfort in heart-to-heart talks. Still, do not doubt that you now have both feet firmly planted in the new 9 year cycle. You are

ready to move ahead.

If your love relationship is fairly recent, Elizabeth, or still fragile, this month will likely reveal whether it is of true substance and endurance. Let go of whatever wants to be free; hold on to what wants to stay. And then look to a brighter future.

Your Personal Month's compatibility for August 2015 is 1 and 9

Once every nine years, Richard and Elizabeth, your relationship will go through a particularly difficult time, a time when only your commitment to your heart will be able to save your relationship. This is such a time. You will experience turmoil, major disagreements, and arguments intense enough that they will make you feel that your partner is no longer the nice person you once knew. This is due to a shift in the cycles that causes an otherwise comfortable and compatible gap of one - in place for eight years - to suddenly multiply and, almost overnight, increase eight-fold for this one cycle. In addition, this is an emotionally vulnerable time for Elizabeth, exactly when Richard is less sensitive than usual.

There are few, if any, combinations of cycles as difficult and challenging as this one, but with some conscious effort and a dedication to your heart, the relationship will survive and, because of it, become stronger.

For Richard, the most important piece of advice is to give Elizabeth plenty of attention, be very sensitive to mood swings, and provide support, even if you feel that Elizabeth is overly emotional. For Elizabeth, the best advice is not to take emotions too seriously. As you have read in the description of your nine-year cycle, you are going through a lot of changes, which require of surrender and acceptance, giving rise to a tendency to get melodramatic and emotional. Only your hearts can save the day. So, don't listen to your minds. No matter how much sense the mind seems to make, it doesn't have anywhere near the understanding that the heart carries.

Richard, your Personal Month for September 2015 is 2

Richard, September is a 2 Personal Month in a 2 Personal Year. The number 11 -- referred to in numerology as a Master number, and therefore highly charged, sensitive and intuitive -- is also prominent in your life now. You are extremely perceptive.

Dreams are full of insight, and seemingly irrational and creative ideas should be examined seriously. Your most powerful asset right now is your inner antenna that is picking up vibrations that escape others.

Your relationship with co-workers is fragile, but this is due largely to your enhanced sensitivity. Don't take your emotions too serious. Increased sensitivity magnifies and exaggerates emotions. If you fixate too much on them, you'll do yourself a disservice. Overlook slights and let things pass without retort. People

will come around.

Romance is still strong, but you must remain realistic. Last months' excitement and infatuation has given rise to self-examination. As with co-workers, long-term relationships and friendships are fragile right now. Again, be skeptical of your emotions; it's quite possible that you are making mountains out of mole hills.

Cooperation, tact, patience, tolerance, and forgiveness are the key-words to make this month pleasant and successful.

Elizabeth, your Personal Month for September 2015 is 1

Elizabeth, September is 1 Personal Month in a 1 Personal Year. You experience an increase in inner strength, independence, and individuality. Your health improves. You are more emotionally stable and ready to aggressively pursue your goals.

This is also the time to bring about practical changes that you have long contemplated as essential to your health and happiness. This combination of numbers inspires smokers to quit, over-eaters to modify their diets, health abusers to reform. It is unmistakably the dawn of a new era in your life.

Read the Decoz material on your current Pinnacle number again (see your Personal Reading - the Pinnacle Cycles), for a good understanding of the direction your life is taking.

If you are single, Elizabeth, you may encounter someone during the second part of this month, or the beginning of next, who may well become a permanent part of your life.

Your Personal Month's compatibility for September 2015 is 2 and 1

Richard and Elizabeth, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

Richard, your Personal Month for October 2015 is 3

Richard, October is a 3 Personal Month in a 2 Personal Year, and you need a break. If possible, take some time off to recharge your batteries. You need sunshine, relaxation, fun, and laughter with friends. The only career aspects that are favorably highlighted are those related to creativity, and inspiring and motivating those with whom you work. It's a good time to express the thoughts

and ideas that you've been thinking about for the past several months. You can make a favorable impression on superiors, even with ideas that are a little daring.

Avoid stress and working under pressure now. The next five months give you the strength to survive and even prosper under pressure, but avoid stressful situations this month.

Postpone important financial decisions if possible, unless they have to do with "fun projects", such as travel, exercise equipment, creative endeavors, and the like. A modest amount of gambling can be healthy and has a better chance of paying off this month than most other months.

Romance is light and playful. Again, postpone important decisions in the area of romance.

Elizabeth, your Personal Month for October 2015 is 2

Elizabeth, October is a 2 Personal Month in a 1 Personal Year. Your intuition and sensitivity are heightened. You are much more aware of feelings, your own as well as those of others. This may cause you to make mountains out of mole-hills, however. Still, you possess the ability to gently guide others, and to maintain harmony even in potentially discordant situations.

This combination of numbers represents opposites, yin and the yang -- the most masculine number 1 and the most feminine 2.

The result is that you experience the best of two worlds; the strength and confidence of the leader, and the tact and subtlety of the diplomat.

Elizabeth, you may experience an increase in your authority at work.

Romance and all heart-centered relationships are central to the events of the month. If single, you will meet someone special. If involved, your relationship will likely become stronger and love stronger felt -- by you and by your loved one.

You are more vulnerable to criticism than usual, which can cause outbursts of anger. By the end of the month and the beginning of the next month you may realize that an apology is both wise and in order.

Your Personal Month's compatibility for October 2015 is 3 and 2

Elizabeth is experiencing a time when emotions are felt stronger than usual and with more impact. It is as if a protective layer has been stripped, leaving Elizabeth more vulnerable than usual. At the same time, Richard is experiencing a time of inspiration, enthusiasm, and creativity; a light-hearted time when emotions tend to have less impact than they usually do. Richard feels quite confident and won't dwell on emotions as much as during other times. Elizabeth, however, feels them strongly. Often, this translates to mood swings and moments of emotional insecurity and confusion on Elizabeth's part, contrary to Richard who is less sensitive and intuitive.

The result can be confusion and misunderstandings. Richard doesn't understand why Elizabeth is getting so upset about some minor argument, while Elizabeth wonders why Richard seems so unattached and distracted, almost as if Elizabeth's feelings don't matter. This is a time, Richard, to pay close attention to Elizabeth and the relationship you have together. For Elizabeth, it is important not to dwell on emotions. Feelings of neglect are unwarranted, and if Richard seems a bit caught up in other things, that's because Richard feels secure and comfortable enough in the relationship to focus on creative endeavors, social events and people outside the relationship.

Richard, your Personal Month for November 2015 is 4

Richard, November is a 4 Personal Month in a 2 Personal Year. It's definitely time to get down to business, to focus on work, and finish anything that's been left undone. Pay attention to the details; don't procrastinate; don't cut corners. Get the picture?

You are laying a foundation for the future, proving to yourself and others that you are worthy of the responsibilities and challenges you have taken on.

Your energy is strong and focused. You can concentrate even when work becomes routine and boring. You are in a crucial stage in your life, but you've got the energy and a take-no-prisoners attitude that will lead you to success.

The best way to balance such determination is to get in touch with nature: take a walk in the woods; sit at the edge of the lake; feel the earth and your connection with it.

If you have recently become involved in a romance, this month will bring commitment and stability to the relationship.

Elizabeth, your Personal Month for November 2015 is 3

Elizabeth, November is a 3 Personal Month in a 1 Personal Year. It is an excellent time to inspire and motivate others.

Your enthusiasm is contagious and no obstacle is too great to overcome. You have little patience this month and would like everything to go much faster. Your mind goes at Mach speed but may scatter your energies. You will be all too willing to cut corners to avoid effort or details, which may result in a frustrating and over-worked December.

Be disciplined and follow projects through to completion.

Ideas come popping out of you. Elizabeth, your creativity seems to burst in all directions. The trick is in differentiating between iron balloons and those that truly float.

The opposite sex is attracted to you and temptation is part of the game. There is the danger of irresponsible behavior. Be careful.

Your Personal Month's compatibility for November 2015 is 4 and 3

Elizabeth and Richard, this is a time when your cycles are pushing you in opposite directions. Actually, this is often the case in your relationship and does not per se reflect a lack of compatibility. For Elizabeth, this is a time to relax and smell the roses, while Richard needs to keep focused and maintain a high level of effort. It is important that you don't try to change each other's natural inclination to follow the demands of your respective cycles. Richard needs to accept the fact that Elizabeth is not as disciplined and ambitious as usual, while Elizabeth should not try to talk Richard into taking it easy.

Contrary to what one might expect, as a rule of thumb, cycles with a gap of one point, such as three and four or four and five, although moving in different directions, are not per se incompatible. In fact, they often complement each other. Only when couples try too hard to influence each other's lives do these cycles cause stress and unhappiness.

Elizabeth should be allowed to back off a little from the daily grind, while Richard should be supported and encouraged throughout this rather demanding period.

Richard, your Personal Month for December 2015 is 5

Richard, December is a 5 Personal Month in a 2 Personal Year and brings changes and restlessness. You feel a need to be with others, to be social, to laugh and talk and enjoy yourself.

You receive opportunities to travel and will meet a new and exciting person on a trip away from home. This person inspires and motivates you to try something new, to get off the beaten path and take a chance.

This is a month that could bring quite a few surprises, most of which invigorate you. It is a dynamic time that brings information and knowledge from unexpected sources. You want change. You are ready to try a new direction, which causes you to see your career with new eyes. You are in an adventurous mode and willing to take a risk.

This month requires courage and flexibility. There are new opportunities awaiting you and it is up to you to prevent them from slipping by.

Richard, your love relationship is in a vulnerable state and some suppressed anxieties need to be released. You are somewhat impulsive and may need to force yourself to slow down. You experience a bit of self-indulgence. There is a need for self-discipline.

Elizabeth, your Personal Month for December 2015 is 4

Elizabeth, December is a 4 Personal Month in a 1 Personal Year. It brings

opportunity and frustration. Stay focused on your goals and work hard. It is an excellent month for career with much opportunity for progress, due partly to last month's optimism and enthusiasm. You have impressed people, some of whom are now ready to offer you the proverbial carrot. There is a hitch; you may not feel you are ready, and a little courage is required.

Another aspect of this combination of numbers is the frustration caused by your inability to force a direction of your own choosing. You may feel caught in a trap, stuck in a rut. Elizabeth, you have to be willing to maintain a high level of effort, because this is definitely not a time to quit, no matter how frustrating the current period may be. Even in matters of the heart, you may feel stuck in the mud.

Patience and diligence are the key-words for this month.

Your Personal Month's compatibility for December 2015 is 5 and 4

Elizabeth and Richard, this is a time during which you are under very different influences. It is a time of focus, effort, and sometimes frustration and stagnation for Elizabeth, and a time of change, excitement, and dynamic energy for Richard. As a result, Richard is in a position to help Elizabeth to keep moving forward and not get too frustrated by the demands of this cycle, and Elizabeth will be able to function somewhat like an anchor for Richard. Richard can certainly use the stable influence of Elizabeth during this hectic and unpredictable time. The most positive effect of this combination of cycles is that their combined forces almost always deliver progress and decisiveness. By the end of this cycle, you will realize that you will have established new goals, and a clearer horizon will make it much easier for you to see where you want to go next. A negative effect you should be aware of is that you may find yourselves moving in such different directions that, at times, you will feel like strangers. Share your feelings and ideas as much as possible and reach out to each other. Physical closeness and sharing things you both enjoy will help you keep connected on all other levels.

Richard, your Personal Month for January 2016 is 4

Richard, January is a 4 Personal Month in a 3 Personal Year and offers opportunities for progress in your career. You are inspiring and motivating to yourself and others and know how to express your ideas. Your creativity is enhanced. You find original solutions and manage to implement them. Your co-workers and superiors are impressed. You are optimistic and light-hearted this month which further enhances your work situation.

However, you will have a tendency to be impulsive and may find yourself with your foot in your mouth. Make sure you have the information to back up any

claims. You also may have a tendency to procrastinate, which can spoil opportunities and damage your career.

This is a month to be on your toes and take full advantage of a favorable combination of cycles. If you have considered remodeling or redecorating your house, or starting a gardening project, now is the time to get started.

Marriage or a romantic relationship takes on more depth.

Elizabeth, your Personal Month for January 2016 is 3

Elizabeth, January is a 3 Personal Month in a 2 Personal Year. Hence, the month brings you optimism and energy. The drive and enthusiasm that emerged during the second half of last year is still with you, along with a certain caution born of inner change and the emotional ups and downs that arose during the previous 18 months.

You're aware of your need for support, cooperation, and advice. And this month, you find yourself establishing closer ties and better communication among those with whom you live and work.

Elizabeth, you are also reflective and relaxed. Take time to play and laugh. Reach out to friends and loved ones. Communicate your ideas freely. You and your plans will be supported, which will heighten your optimism about the future.

Romance is an important part of this months' experiences, and the chances are good that you may meet someone special.

Your Personal Month's compatibility for January 2016 is 4 and 3

Elizabeth and Richard, this is a time when your cycles are pushing you in opposite directions. Actually, this is often the case in your relationship and does not per se reflect a lack of compatibility. For Elizabeth, this is a time to relax and smell the roses, while Richard needs to keep focused and maintain a high level of effort. It is important that you don't try to change each other's natural inclination to follow the demands of your respective cycles. Richard needs to accept the fact that Elizabeth is not as disciplined and ambitious as usual, while Elizabeth should not try to talk Richard into taking it easy.

Contrary to what one might expect, as a rule of thumb, cycles with a gap of one point, such as three and four or four and five, although moving in different directions, are not per se incompatible. In fact, they often complement each other. Only when couples try too hard to influence each other's lives do these cycles cause stress and unhappiness.

Elizabeth should be allowed to back off a little from the daily grind, while Richard should be supported and encouraged throughout this rather demanding period.

Richard, your Personal Month for February 2016 is 5

Richard, February is a 5 Personal Month in a 3 Personal Year. It will bring changes, excitement, and perhaps some upheaval. You may move, travel, or go on an unexpected trip.

Carefully prepared plans confront the unexpected: events and people you had not expected. Those who are flexible and not afraid of changes will enjoy this month, but those who rigidly try to stick to expectations and refuse to adapt will experience a difficult time in which almost nothing works out, no matter how hard you try.

This is a month to allow the forces of nature to guide your ship. Despite these disruptions, do not give in to impulsiveness or irresponsibility. Make the plans you can; adhere to them as well as possible, and be flexible.

Love is exciting, adventurous, and playful. You uplift your partner and reveal your deeper self. Hidden thoughts and desires that you have kept hidden during the past two years come freely to the surface. Richard, you are open and childlike and for that reason very attractive to the opposite sex.

A word of caution for those who are uncomfortable with this kind of openness: Do not allow fear to turn this wonderful urge to share your thoughts and feelings into a superficial act.

If you have a tendency to self-indulgence, this month's cycles are dangerous. Be cautious and control your appetite for whatever excesses tempt you.

Elizabeth, your Personal Month for February 2016 is 4

Elizabeth, February is a 4 Personal Month in a 2 Personal Year. You will realize early this month that progress depends upon your willingness to work diligently and remain focused on details.

You feel capable and confident, but as your effort increases -- and the hours pile up -- you may become frustrated with the slow response of others. Keep your nose to the grindstone, and if necessary put in overtime. Don't try to dodge the bullet; bite down on it and keep going.

Meanwhile, be willing to cooperate, listen to others, and tactfully communicate your convictions, as well as your doubts.

This is an excellent month to improve your financial position, particularly through better management. Through your consistent and patient effort, a raise or profitable business deal is also in the cards.

Relationships tend to be a little shaky for most of this month. Elizabeth, you may be somewhat irritable and lack patience as a result of stress and emotional turmoil in your work-environment.

Maintaining a well-ordered environment and avoiding procrastination will help you bypass much emotional stress.

Your Personal Month's compatibility for February 2016 is 5 and 4

Elizabeth and Richard, this is a time during which you are under very different influences. It is a time of focus, effort, and sometimes frustration and stagnation for Elizabeth, and a time of change, excitement, and dynamic energy for Richard. As a result, Richard is in a position to help Elizabeth to keep moving forward and not get too frustrated by the demands of this cycle, and Elizabeth will be able to function somewhat like an anchor for Richard. Richard can certainly use the stable influence of Elizabeth during this hectic and unpredictable time. The most positive effect of this combination of cycles is that their combined forces almost always deliver progress and decisiveness. By the end of this cycle, you will realize that you will have established new goals, and a clearer horizon will make it much easier for you to see where you want to go next. A negative effect you should be aware of is that you may find yourselves moving in such different directions that, at times, you will feel like strangers. Share your feelings and ideas as much as possible and reach out to each other. Physical closeness and sharing things you both enjoy will help you keep connected on all other levels.

Richard, your Personal Month for March 2016 is 6

Richard, March is a 6 Personal Month in a 3 Personal Year. It brings family affairs and issues involving relationships to center stage. You may be asked to sacrifice some of your time and energy to help others. A parent or child may need more care and attention than usual. Answer the call and you will be rewarded with a wonderful experience of love and closeness.

Many people in the 3 Personal Rhythm Cycle will make a deep commitment of love, or even get married this month. At the same time, separation and divorce are also possible, since the theme of this month is commitment to your true feelings. Confrontations are unavoidable in all troubled relationships. While these trends may be difficult and painful, the forces are working at clarifying your relationships.

Your work situation will be rather demanding as more responsibility is transferred to you. However, the reward is right around the corner. (May and June will bring the pay-off.)

This month may be good financially, due to an earlier investment or from payments arriving from previously done work.

Elizabeth, your Personal Month for March 2016 is 5

Elizabeth, March is a 5 Personal Month in a 2 Personal Year. It brings some relief from last months' frustrating efforts to persuade others and to keep track of the details.

This month will be hectic with some unexpected changes. Don't try to plan everything down to its final detail. Instead, be flexible and adapt to whatever comes your way.

The expression "being in the flow", is instructive for most of this month and you will be astonished by coincidences in which timing is crucial. Don't make financially risky decisions, especially involving business. Checking and double-check all your facts before going forward with your plans. Be skeptical! However, your ability to promote yourself, your plans, or a product is enhanced.

There will be many social events and opportunities. Take advantage of them. The chances of meeting new people who can support you in your endeavors are especially good.

A letter or phone call from someone you haven't heard from in a long time may surprise you.

It's high noon for romance, but be warned. You may not be as discriminating and cautious as you should be. Allow your rational mind to take a critical look at flattering admirer(s).

Your Personal Month's compatibility for March 2016 is 6 and 5

Elizabeth is in a cycle of change and highly charged energy. Richard is in a cycle of stability and responsibility. Elizabeth's energy is restless and dynamic, Richard's energy is focused and grounded. Elizabeth is looking around for opportunity and adventure. Richard is looking at the home and the family. Richard's attention is focused near by, on the people and things that matter most. Elizabeth's attention is focused away; on work, career, travel and so forth. These cycles are as opposite as two cycles can be, yet they are not incompatible. Within a relationship, these influences complement and balance each other. However, if they get too inner-twined, they will turn on each other and anger and blame are the most likely result. It is important, now more than at almost any other time, Elizabeth and Richard, that you don't try to influence each other too much. Live and let live is the slogan for this month. You probably have realized by now that, more often than not, you are experiencing very different cycles. This is an important aspect of your relationship not limited to this particular cycle. It will always be that way. You should accept the fact that you tend to be influenced by very different energies most of your lives. Therefore, you may just want to make the concept of live and let live a family slogan -- for life. But, as you probably have also realized by now, although the influence of your personal cycles always tend to place you at opposite ends of the spectrum, it also means that you complement each other very well and make a great team

when you put your minds to it. In particular when it comes to showing a single front to the outside world.

Richard, your Personal Month for April 2016 is 7

Richard, April is a 7 Personal Month in a 3 Personal Year. The month represents a pause for self-evaluation. It is a time of light and shadow, a month of contrasting moods. You may alternate between light-hearted optimism and periods of doubt and even depression. The time requires you to look within.

Meditate and contemplate your life. Such self-reflection will awaken deep feelings of gratitude for all the blessings bestowed upon you, including the greatest gift of all: your life itself.

During the first half of the month, you may feel the inner you begin to stir. Your dreams may be intense, graphic, and highly revealing. They are a source of insight if you care to listen. There is a sub-conscious attempt to communicate, not with others but with your own deeper self.

Let career, finances, and romance all take a back seat during this important spiritual time. You will be quite safe.

If possible, take some time off. At the very least, walk in the woods, sit at a lake, or otherwise bring yourself in close contact with nature. Keep a journal and write down your dreams, insights, and revelations. They will offer you insight into your life's direction.

Elizabeth, your Personal Month for April 2016 is 6

Elizabeth, April is a 6 Personal Month in a 2 Personal Year. Matters of the heart come to the foreground.

Romance is now at the top of your list of opportunities.

On the other hand, the month brings instability to outdated relationships, and some may end. You become aware of the need to let go of certain people, although final good-byes may not occur until July or early August of this year.

Elizabeth, your family and friends need more attention and you will likely find yourself playing the roles of mediator, comforter, and counselor. You'll be the one to offer the proverbial shoulder to cry on this month. A younger person, particularly, needs your love and attention.

Your career is guided favorably by the Force. There is an increase in your workload and responsibilities due to a promotion -- or one that may be in the offing. The change may well bring financial rewards.

This is a good time for finances, particularly those related to real-estate.

Your Personal Month's compatibility for April 2016 is 7 and 6

Elizabeth and Richard, you are experiencing very different cycles. On one hand, the influences of the six and the seven complement each other very well. On the other, they create such different needs you may find that there is little common ground between the two of you. You may find that you disagree on just about everything; how to spend your vacation, what kind of car to buy, which of your friends to invite, and so forth. Elizabeth is reaching out to people, Richard is avoiding them. Elizabeth is more extrovert than usual, Richard is seeking peace and quiet.

A positive influence during this time is found in the fact Elizabeth more tolerant and giving, willing to sacrifice here and there to accommodate Richard. This is an important and much needed factor to make this a harmonious time. Richard is not very patient right now and doesn't want to be bothered.

Elizabeth, it is important to remember that if Richard seems a bit cool and distant, this has nothing to do with the relationship. Richard is doing some soul searching and needs to be given some space and distance. Richard, it is crucial not to forget Elizabeth and not to get lost within yourself to the extent of ignoring the world around you. Pay attention to those you care about, Richard. Your relationship with your friends, your family and with Elizabeth will last a lot longer than this period of self-examination and spiritual exploration.

Richard, your Personal Month for May 2016 is 8

Richard, May is an 8 Personal Month in Richard, May is an 8 Personal Month in a 3 Personal Year. It brings financial rewards, as well as respect and recognition. This, of course, is proportional to the effort you have put out during the past year.

This is a month to focus on career, to be a visionary, and not to hold back when it comes to showing the world how capable you are.

For those who are in business, this is a good time to finalize deals and sign contracts. Investments are generally favorable, as are requests for loans, mortgages, or other methods of financial support. In all worldly matters, this is a time to reach out, to go for your goals. Do not be afraid to take a risk.

As far as matters of the heart are concerned, this is a time to take yourself and your feelings with a grain of salt.

Richard, you are in a generous mode and feel blessed with so many good friends and such a wonderful lover, but when it comes to commitment, you may want to wait a couple of months when you are more realistic in these matters.

For those who are not involved in a relationship, a "co-incidental" meeting with a person from the past brings an exciting romance.

Elizabeth, your Personal Month for May 2016 is 7

Elizabeth, May is a 7 Personal Month in a 2 Personal Year. The combination leads to powerful self-discoveries and intuitive perceptions. It is a highly spiritual time, causing you to withdraw from the hustle and bustle of daily life. Your focus is inward. You find yourself contemplating the mystery of your own existence, your purpose in life, and your direction.

You find yourself taking time off to read, meditate. Your interests are spiritual, not worldly. It's an excellent time to take a vacation, as long as you avoid group-activities.

Social demands will make you irritable and out of sorts. Be with yourself or enjoy meaningful discussions with someone close to you. In this way, you may deepen your marriage or romantic relationship.

It is a time for wisdom and insights, even premonitions and revelations that have little to do with intellectual effort, but are the result of heightened awareness and a free-flowing channel between your sub-conscious and your conscious.

Be particularly alert to your dreams and the direction and insight they offer.

Your Personal Month's compatibility for May 2016 is 8 and 7

Elizabeth, during this time you may feel left behind, perhaps forgotten and ignored. Of course, this is not really the case. It is just that Richard is focused on getting things done, reaching goals, and taking advantage of opportunities, while you, Elizabeth, are drawn to examining your own life, where you are going, and even why you are doing the things you do. Elizabeth and Richard, the fact that your needs and your ambitions are going in different directions does not make this a compatible combination of cycles. Richard is out there, full of plans and visions, while Elizabeth is turning inward.

You may find it difficult to communicate, to find common ground, and to get excited about each other's interests.

This is a time, Richard, when you should not try too hard to get Elizabeth involved with something that interests you. And vice versa. This is a time to keep things simple, and the secret to go through it successfully is to love each other, but don't try to share everything you are doing.

Richard, your Personal Month for June 2016 is 9

Richard, June is a 9 Personal Month in a 3 Personal Year and brings a bit of moodiness and instability. You have completed many tasks and enjoyed many rewards during the first half of the year, and now you may be feeling a bit empty -- not unlike the fatigue one has the day after a party. It may be a minor case of burn-out, but for reasons you cannot really put your finger on. It is a time to let go of many old things and prepare for the new.

You have had a number of good ideas during the first part of the year. You

have been motivated and experienced much excitement, but not all of your ideas proved realistic. Now reality forces you to take a second look at your projects and goals in a new light. It's a weeding out period.

The positive side of the coin is that, by the end of this month, you'll have a clearer perspective on your direction and projects. You'll know where to place your energy during the second half of the year. While you may find yourself going through some ups and downs during the course of this month, you also feel the first trembling of new excitement.

This month also brings a concluding chapter to one or more relationships, which may cause additional emotional turmoil. However, you are going through a time of natural selection; what is worth holding on to will stay. The rest will go.

Elizabeth, your Personal Month for June 2016 is 8

Elizabeth, June is an 8 Personal Month in a 2 Personal Year. Now the time is ripe to reach out and receive some of the fruits of your labors. It is a harvesting time, but the rewards are still dependent upon good relations with co-workers. Ask for a promotion, or a raise. Let those in the right positions know that you value the recognition and respect they bestow upon you.

You are in the right state of mind to deal with some tricky personality-clashes; solve communication problems; turn enemies into friends; and in many ways manipulate events through gentle persuasion. The numbers 2 and 8 allow you to handle sensitive issues with tact and diplomacy, as well as with authority and decisiveness. It is a good time for negotiations in every area of your life, personal as well as professional.

Romance is very favorable, but can be spoiled by money issues. On the other hand, domestic affairs can be troublesome and can leave you feeling powerless unless you are willing to cooperate.

Leave such issues alone for now. The domestic scene is better handled next month, when all dealings with relatives are easier and smoother.

Your Personal Month's compatibility for June 2016 is 9 and 8

Elizabeth and Richard, as is often the case within your relationship, your cycles are influencing you in very different - and not altogether compatible - ways. For Elizabeth, this is a time to get out there and shake some trees, make things happen and reap the rewards. So, the advice for Elizabeth during this cycle is: focus on your career, be aggressive in the pursuit of your success.

For Richard, this is a time when everything feels shaky and insecure. Richard needs Elizabeth right now. Richard needs the human contact, the commitment and the security Elizabeth has to offer more than during most cycles. With

Elizabeth's focus on the world outside the relationship, and Richard needing Elizabeth's attention more than usual, it takes conscious effort from both of you to prevent disappointments and perhaps even resentment from overshadowing your relationship during this time.

Elizabeth, pay attention to Richard. You too, will experience a time when nothing will seem secure and solid. In fact, your next cycle will bring some of that and you will need Richard's hand then.

Due to the fact that your cycles always tend to be almost one hundred and eighty degrees opposite, Elizabeth and Richard, you have probably learned to adjust to each other's needs. This ability to surrender some of your own needs to those of your partner is the most important key to making your relationship a long and happy union.

Richard, your Personal Month for July 2016 is 1

Richard, July is a 1 Personal Month in a 3 Personal Year. It is a time of dynamism, courage, and eagerness to begin the new. Last month's blues are gone and you feel you are on top of the world. You are more original and creative than at any time of this already creative year.

Many of those in a 3 Personal Rhythm Cycle may finally break out of unrewarding patterns. Some may even make career changes, or start their own businesses. This is not a time to be squeamish in any area of your life -- be it money, career or romance. You may experience an urge to write, paint, or express yourself in some other creative way. By all means, take on the challenge.

If you are not already involved, you may well meet someone special, but the relationship, while intense and passionate, may not be a lasting one.

This is a month that will also bring opportunities to mingle with new acquaintances at social events. You will be outgoing and witty. These are great opportunities to make lasting contacts which will help your career and other endeavors.

A warning to the easily excitable: don't brag about your plans and accomplishments. The effect may backfire.

Elizabeth, your Personal Month for July 2016 is 9

Elizabeth, July is a 9 Personal Month in a 2 Personal Year and is both emotional and demanding. This is a month to take care of loose ends. Relationships that have been rocky of late will reach critical mass, to be worked out and deepened, or separated entirely. Actually, this is a testing period for relationships in all areas of your life. The 9 and the 2 combination -- both diplomatic, sensitive, and service oriented -- advises that you avoid

confrontations. Work with issues quietly and patiently.

At the same time, it is an excellent period to look inward and acknowledge your own needs and desires. Let go of all that you have outgrown, including people, situations, material objects -- anything that you have out-grown. This month is your opportunity to avoid becoming an emotional and/or material packrat. This is the time to empty your cup in order to make room for new gifts coming your way.

This is a transition period. Elizabeth, you will likely experience deep emotions, even nostalgia and melancholy. At times, you may feel exhausted. Yet, such feelings are not altogether unpleasant. There is a cleansing and healing taking place at a very deep and personal level.

You are not entirely conscious of all that is happening, and consequently you may not be able to express your feelings to others. You may sense that you do not fully understand yourself. Give it time and much will be revealed to you.

An opportunity to be involved in a good cause may present itself and your sacrifice will actually help you achieve stability and inner strength.

This is a good time financially. Some payment may be received for something you'd forgotten, or for reasons you do not expect.

This is a month that requires balance: you are feeling emotional yourself, but at the same time you must also focus on the needs of others. If you indulge too much in your own feelings, especially self-pity, you will suffer more self-doubt than if you remain balanced between your own needs and service to others.

Your Personal Month's compatibility for July 2016 is 1 and 9

Once every nine years, Richard and Elizabeth, your relationship will go through a particularly difficult time, a time when only your commitment to your heart will be able to save your relationship. This is such a time. You will experience turmoil, major disagreements, and arguments intense enough that they will make you feel that your partner is no longer the nice person you once knew. This is due to a shift in the cycles that causes an otherwise comfortable and compatible gap of one - in place for eight years - to suddenly multiply and, almost overnight, increase eight-fold for this one cycle. In addition, this is an emotionally vulnerable time for Elizabeth, exactly when Richard is less sensitive than usual.

There are few, if any, combinations of cycles as difficult and challenging as this one, but with some conscious effort and a dedication to your heart, the relationship will survive and, because of it, become stronger.

For Richard, the most important piece of advice is to give Elizabeth plenty of attention, be very sensitive to mood swings, and provide support, even if you feel that Elizabeth is overly emotional. For Elizabeth, the best advice is not to take emotions too seriously. As you have read in the description of your nine-year cycle, you are going through a lot of changes, which require of surrender and acceptance, giving rise to a tendency to get melodramatic and emotional.

Only your hearts can save the day. So, don't listen to your minds. No matter how much sense the mind seems to make, it doesn't have anywhere near the understanding that the heart carries.

Richard, your Personal Month for August 2016 is 2

Richard, August is a 2 Personal Month in a 3 Personal Year. It requires a sensitive and cooperative attitude at work and in all other areas. You are upbeat and optimistic during the early part of this month but an anticipated reward or recognition may go to someone else, much to your dismay.

Your challenge is to set the record straight by using your diplomatic skills. Do not allow anger to alienate you from those involved. Otherwise, relationships go favorably this month.

You are in a position to smooth out some long-standing disagreements between people close to you. Often, these disagreements do not involve you directly. You have the opportunity to serve as a peacemaker.

Romance is also strongly represented and highly favorable. Richard, your feelings are strong and your ability to communicate these feelings is enhanced. A good month to spend some extra time with your lover.

Elizabeth, your Personal Month for August 2016 is 1

Elizabeth, August is a 1 Personal Month in a 2 Personal Year. It brings new energy and a kind of restoration of life. There is a feeling of rebirth, excitement, a brightness in the air that wipes away the last residues of last month's bouts of gloominess and self-doubt. You want a change, a challenge, some goal toward which you can direct your enthusiasm.

Well, that's what this month will bring. A new project, career change, something new. Keep in mind, however, that you are planting seeds now that must be nurtured and cultivated over the next year or so. In other words, you must remain focused on this dream to nurture it properly over time.

Don't take chances financially. Your optimism may make you impulsive and vulnerable. Remain cautious and research all propositions brought to you.

Elizabeth, you likely will be introduced to new people and, if you are not already involved, one of them may evolve into a passionate romance. Here, also, the careful approach can save some future heartache. The child in you is very much alive, trusting and believing that everything is what it seems.

While this is a very promising time for romance, keep in mind that a certain amount of rational examination is necessary to protect yourself. Wait until the end of next month before you surrender your heart to the person you are attracted to.

Your Personal Month's compatibility for August 2016 is 2 and 1

Elizabeth, you are entering a period of renewal that brings in new energy as well as a change of direction in your personal life and in your career. You feel motivated and aggressive, perhaps even impatient - nothing moves fast enough for you. Richard, on the other hand, is slowing down somewhat, more concerned about looking for ways to improve relationships with other people. For Richard, this is a time of networking, finding resources, and aligning with others, a time during which emotions and feelings are more important than usual, and Richard may well be a bit more vulnerable in that respect.

These cycles are compatible in most ways and they support each other.

Elizabeth will be the engine of change and progress, while Richard will steer and redirect. However, Elizabeth will have to be sensitive and careful and not expect Richard to be as motivated and driven. In turn, Richard needs to avoid making mountains out of molehills or letting emotions get the better of common sense. Elizabeth may also have to accept the fact that Richard is a bit more demanding than usual.

Richard, your Personal Month for September 2016 is 3

Richard, September is a 3 Personal Month in a 3 Personal Year for you and your creativity is at an all-time high. You find solutions and discover new ways to improve old methods.

You are communicative and express yourself well. You have a strong urge to write to old friends you haven't seen in some time. This need to re-establish relationships with people may even surprise you.

At work, you discover that it is easy to reach others and influence the way they feel about themselves and their work.

You uplift them and are rewarded with gratitude and support.

This is a time to be social, easy-going, and optimistic.

Elizabeth, your Personal Month for September 2016 is 2

Elizabeth, September is a 2 Personal Month in a 2 Personal Year. The number 11 -- referred to in numerology as a Master number, and therefore highly charged, sensitive and intuitive -- is also prominent in your life now. You are extremely perceptive.

Dreams are full of insight, and seemingly irrational and creative ideas should be examined seriously. Your most powerful asset right now is your inner antenna that is picking up vibrations that escape others.

Your relationship with co-workers is fragile, but this is due largely to your enhanced sensitivity. Don't take your emotions too serious. Increased sensitivity

magnifies and exaggerates emotions. If you fixate too much on them, you'll do yourself a disservice. Overlook slights and let things pass without retort. People will come around.

Romance is still strong, but you must remain realistic. Last months' excitement and infatuation has given rise to self-examination. As with co-workers, long-term relationships and friendships are fragile right now. Again, be skeptical of your emotions; it's quite possible that you are making mountains out of mole hills.

Cooperation, tact, patience, tolerance, and forgiveness are the key-words to make this month pleasant and successful.

Your Personal Month's compatibility for September 2016 is 3 and 2

Richard and Elizabeth, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

Richard, your Personal Month for October 2016 is 4

Richard, October is a 4 Personal Month in a 3 Personal Year. It requires you to be practical and disciplined in all matters. It brings opportunity as well as limitations.

Career is a high priority and you will find yourself putting in overtime. Details will need to be taken care off. There is very little room for slacking, and everyone may be making demands of you. You may feel frustrated and need to blow off steam.

On the other hand, there is also much opportunity implicit in these demands and you will be pleasantly surprised with the rewards that come your way late in the month. You'll have to respond quickly. You may feel that you are not ready to take on the new challenge that comes with this opportunity, but if you overcome this temporary lack of confidence you will be well rewarded.

This month is demanding in domestic affairs, as well.

There is an ongoing need to watch finances carefully, make decisions concerning your budget, and plan for the future. If you have not been keeping a close eye on your checkbook, Richard, this month will force you to balance your account and make up for haphazard expenditures of the past.

There's not a whole lot of time for romance this month, but when you can find the time, your partner's love brings perspective and rejuvenation.

Elizabeth, your Personal Month for October 2016 is 3

Elizabeth, October is a 3 Personal Month in a 2 Personal Year, and you need a break. If possible, take some time off to recharge your batteries. You need sunshine, relaxation, fun, and laughter with friends. The only career aspects that are favorably highlighted are those related to creativity, and inspiring and motivating those with whom you work. It's a good time to express the thoughts and ideas that you've been thinking about for the past several months. You can make a favorable impression on superiors, even with ideas that are a little daring.

Avoid stress and working under pressure now. The next five months give you the strength to survive and even prosper under pressure, but avoid stressful situations this month.

Postpone important financial decisions if possible, unless they have to do with "fun projects", such as travel, exercise equipment, creative endeavors, and the like. A modest amount of gambling can be healthy and has a better chance of paying off this month than most other months.

Romance is light and playful. Again, postpone important decisions in the area of romance.

Your Personal Month's compatibility for October 2016 is 4 and 3

Elizabeth and Richard, this is a time when your cycles are pushing you in opposite directions. Actually, this is often the case in your relationship and does not per se reflect a lack of compatibility. For Elizabeth, this is a time to relax and smell the roses, while Richard needs to keep focused and maintain a high level of effort. It is important that you don't try to change each other's natural inclination to follow the demands of your respective cycles. Richard needs to accept the fact that Elizabeth is not as disciplined and ambitious as usual, while Elizabeth should not try to talk Richard into taking it easy.

Contrary to what one might expect, as a rule of thumb, cycles with a gap of one point, such as three and four or four and five, although moving in different directions, are not per se incompatible. In fact, they often complement each other. Only when couples try too hard to influence each other's lives do these cycles cause stress and unhappiness.

Elizabeth should be allowed to back off a little from the daily grind, while Richard should be supported and encouraged throughout this rather demanding period.

Richard, your Personal Month for November 2016 is 5

November is your second 5 Personal Month in a 3 Personal Year, and as before it brings change, excitement, and possibly a financial boost. The 5 brings movement -- travel, a change of residence or office, perhaps.

You will receive a letter or phone call from someone close to you whom you haven't heard from in some time.

This month should be light and playful. Try not to take things too seriously. The down-side of this combination (5 and 3) is in the area of relationships. You may have a tendency to misread others, to be a little insensitive and short on tact. Avoid confrontations in personal matters as well as those related to work. As long as you are upbeat and supportive, friendship and social events are favorable.

As was the case with February of this year, November may also find you in the mood to indulge yourself. Moderation may be hard to maintain, but it's still the best advice.

Elizabeth, your Personal Month for November 2016 is 4

Elizabeth, November is a 4 Personal Month in a 2 Personal Year. It's definitely time to get down to business, to focus on work, and finish anything that's been left undone. Pay attention to the details; don't procrastinate; don't cut corners. Get the picture?

You are laying a foundation for the future, proving to yourself and others that you are worthy of the responsibilities and challenges you have taken on.

Your energy is strong and focused. You can concentrate even when work becomes routine and boring. You are in a crucial stage in your life, but you've got the energy and a take-no-prisoners attitude that will lead you to success.

The best way to balance such determination is to get in touch with nature: take a walk in the woods; sit at the edge of the lake; feel the earth and your connection with it.

If you have recently become involved in a romance, this month will bring commitment and stability to the relationship.

Your Personal Month's compatibility for November 2016 is 5 and 4

Elizabeth and Richard, this is a time during which you are under very different influences. It is a time of focus, effort, and sometimes frustration and stagnation for Elizabeth, and a time of change, excitement, and dynamic energy for Richard. As a result, Richard is in a position to help Elizabeth to keep moving forward and not get too frustrated by the demands of this cycle, and Elizabeth will be able to function somewhat like an anchor for Richard. Richard can certainly use the stable influence of Elizabeth during this hectic and unpredictable time.

The most positive effect of this combination of cycles is that their combined forces almost always deliver progress and decisiveness. By the end of this cycle, you will realize that you will have established new goals, and a clearer horizon will make it much easier for you to see where you want to go next. A negative effect you should be aware of is that you may find yourselves moving

in such different directions that, at times, you will feel like strangers. Share your feelings and ideas as much as possible and reach out to each other. Physical closeness and sharing things you both enjoy will help you keep connected on all other levels.

Richard's attention is focused near by, on the people and things that matter most. Elizabeth's attention is focused away; on work, career, travel and so forth. These cycles are as opposite as two cycles can be, yet they are not incompatible. Within a relationship, these influences complement and balance each other. However, if they get too inner-twined, they will turn on each other and anger and blame are the most likely result. It is important, now more than at almost any other time, Elizabeth and Richard, that you don't try to influence each other too much. Live and let live is the slogan for this month. You probably have realized by now that, more often than not, you are experiencing very different cycles. This is an important aspect of your relationship not limited to this particular cycle. It will always be that way. You should accept the fact that you tend to be influenced by very different energies most of your lives. Therefore, you may just want to make the concept of live and let live a family slogan -- for life. But, as you probably have also realized by now, although the influence of your personal cycles always tend to place you at opposite ends of the spectrum, it also means that you complement each other very well and make a great team when you put your minds to it. In particular when it comes to showing a single front to the outside world.

Later this month, or early next month, an opportunity will come your way that represents a step forward in your career.

This month also brings some unexpected changes in other areas of your life; possibly an unexpected trip. Be cautious in all financial affairs.

Richard, your family members demand a lot of attention and much practical guidance is required from you. They look to you for direction.

This is a month to be on your toes and take full advantage of a favorable combination of cycles. If you have considered remodeling or redecorating your house, or starting a gardening project, now is the time to get started.

Marriage or a romantic relationship takes on more depth.

Perhaps even more important is the role friends and family play during the period. Loyalty and a willingness to sacrifice time and energy to your loved ones are needed.

You, in turn, receive comfort and satisfaction from their obvious love for you. It is a time of love, warmth, and a strengthening of the bonds that form the foundation of your life. It is also a good time to start domestic projects, such as minor remodeling and home repair.

If you are not married and are not involved in a relationship, you may meet someone who catches your interest. In this case, the relationship will develop slowly but will endure. Richard, your focus should be on being dependable and active.

Carefully prepared plans confront the unexpected: events and people you had not expected. Those who are flexible and not afraid of changes will enjoy this month, but those who rigidly try to stick to expectations and refuse to adapt will experience a difficult time in which almost nothing works out, no matter how hard you try.

This is a month to allow the forces of nature to guide your ship. Despite these disruptions, do not give in to impulsiveness or irresponsibility. Make the plans you can; adhere to them as well as possible, and be flexible.

Love is exciting, adventurous, and playful. You uplift your partner and reveal your deeper self. Hidden thoughts and desires that you have kept hidden during the past two years come freely to the surface. Elizabeth, you are open and childlike and for that reason very attractive to the opposite sex.

A word of caution for those who are uncomfortable with this kind of openness: Do not allow fear to turn this wonderful urge to share your thoughts and feelings into a superficial act.

If you have a tendency to self-indulgence, this month's cycles are dangerous. Be cautious and control your appetite for whatever excesses tempt you.

Richard, your Personal Month for March 2017 is 7

Richard, March is a 7 Personal Month in a 4 Personal Year and should bring some significant changes in your outlook. Indeed, the month is filled with the mystery of life.

You are aware that you are developing spiritually. This is not a good time to deny important issues in your life, or be superficial about significant matters. Your dreams are vivid and if you take some time immediately after awakening to contemplate their meaning, you have the potential to gain some insights that uplifts you and raises your confidence in your life's direction.

You are mentally sharp and creative. You solve problems and gain insight into things that have floated in the background of your consciousness for some time.

It is a period of hard work -- possibly overtime -- juxtaposed with much soul-searching and the need for quiet contemplation.

You may be offered an opportunity to become involved in a new endeavor. Be careful with anything that promises a fast return. This year, long-term projects are far more favorable than get-rich-quick-schemes, or short-term gambles.

Your need for peace and quiet during this month may make your friends and family members wonder whether you have some problem that you are not willing to share.

Elizabeth, your Personal Month for March 2017 is 6

Elizabeth, March is a 6 Personal Month in a 3 Personal Year. It brings family affairs and issues involving relationships to center stage. You may be asked to sacrifice some of your time and energy to help others. A parent or child may need more care and attention than usual. Answer the call and you will be rewarded with a wonderful experience of love and closeness.

Many people in the 3 Personal Rhythm Cycle will make a deep commitment of love, or even get married this month. At the same time, separation and divorce are also possible, since the theme of this month is commitment to your true feelings. Confrontations are unavoidable in all troubled relationships. While these trends may be difficult and painful, the forces are working at clarifying your relationships.

Your work situation will be rather demanding as more responsibility is transferred to you. However, the reward is right around the corner. (May and June will bring the pay-off.)

This month may be good financially, due to an earlier investment or from payments arriving from previously done work.

Your Personal Month's compatibility for March 2017 is 7 and 6

Elizabeth and Richard, you are experiencing very different cycles. On one hand, the influences of the six and the seven complement each other very well. On the other, they create such different needs you may find that there is little common ground between the two of you. You may find that you disagree on just about everything; how to spend your vacation, what kind of car to buy, which of your friends to invite, and so forth. Elizabeth is reaching out to people, Richard is avoiding them. Elizabeth is more extrovert than usual, Richard is seeking peace and quiet.

A positive influence during this time is found in the fact Elizabeth more tolerant and giving, willing to sacrifice here and there to accommodate Richard. This is an important and much needed factor to make this a harmonious time. Richard is not very patient right now and doesn't want to be bothered.

Elizabeth, it is important to remember that if Richard seems a bit cool and distant, this has nothing to do with the relationship. Richard is doing some soul searching and needs to be given some space and distance. Richard, it is crucial not to forget Elizabeth and not to get lost within yourself to the extent of ignoring the world around you. Pay attention to those you care about, Richard. Your relationship with your friends, your family and with Elizabeth will last a lot longer than this period of self-examination and spiritual exploration.

Richard, your Personal Month for April 2017 is 8

Richard, April is an 8 Personal Month in a 4 Personal Year. It promises to be rewarding financially as well as in other areas of life. There is a catch: It is essential to take care of details, to be reliable, and to keep things organized. If you allow yourself to get sloppy in any of these areas, the results could be disastrous. Still, the combination of numbers

(8 and 4) gives you ample support in all efforts at organization and management.

Respect, recognition, financial reward come to those who are careful. Financial problems and struggle (some may even experience bankruptcy) come to those who are careless. The more you stay clear and focused, the higher the rewards will be.

Relationships that are not related to work are not a high priority this month. Richard, your attention should be given towards career and finances, as well as to people who play important roles in those areas of your life. The advice for this month is to get up early, put your nose to the grindstone, be organized, and don't hesitate to move yourself to the foreground in your work-environment. If you are due for a raise, ask for it. If a business associate is not fulfilling his/her duties, confront that person. If a payment is due, call it in.

Elizabeth, your Personal Month for April 2017 is 7

Elizabeth, April is a 7 Personal Month in a 3 Personal Year. The month represents a pause for self-evaluation. It is a time of light and shadow, a month of contrasting moods. You may alternate between light-hearted optimism and periods of doubt and even depression. The time requires you to look within.

Meditate and contemplate your life. Such self-reflection will awaken deep feelings of gratitude for all the blessings bestowed upon you, including the greatest gift of all: your life itself.

During the first half of the month, you may feel the inner you begin to stir. Your dreams may be intense, graphic, and highly revealing. They are a source of insight if you care to listen. There is a sub-conscious attempt to communicate, not with others but with your own deeper self.

Let career, finances, and romance all take a back seat during this important spiritual time. You will be quite safe.

If possible, take some time off. At the very least, walk in the woods, sit at a lake, or otherwise bring yourself in close contact with nature. Keep a journal and write down your dreams, insights, and revelations. They will offer you insight into your life's direction.

Your Personal Month's compatibility for April 2017 is 8 and 7

Elizabeth, during this time you may feel left behind, perhaps forgotten and ignored. Of course, this is not really the case. It is just that Richard is focused on getting things done, reaching goals, and taking advantage of opportunities, while you, Elizabeth, are drawn to examining your own life, where you are going, and even why you are doing the things you do. Elizabeth and Richard, the fact that your needs and your ambitions are going in different directions does not make this a compatible combination of cycles. Richard is out there, full of plans and visions, while Elizabeth is turning inward. You may find it difficult to communicate, to find common ground, and to get excited about each other's interests.

This is a time, Richard, when you should not try too hard to get Elizabeth involved with something that interests you. And vice versa. This is a time to keep things simple, and the secret to go through it successfully is to love each other, but don't try to share everything you are doing.

Richard, your Personal Month for May 2017 is 9

Richard, May is a 9 Personal Month in a 4 Personal Year and may introduce some emotional turmoil due to a relationship gone awry.

A friend or co-worker has let you down. Your trust has been damaged and you realize that this is not just a temporary disappointment but the conclusion of the relationship. While you have reason to be angry, you should avoid self-righteousness.

You may want to remember that you are not without fault. This allows the anger and disappointment to turn into understanding and forgiveness, even if the situation can not be saved.

As a way of healing this type of wound, life may offer you the opportunity to become involved in a good cause. Sacrificing some of your time and energy will prove very rewarding and will deliver some benefits that are not immediately obvious.

This month, your health requires some special attention, particularly your digestive tract. Watch what you eat. Avoid excesses.

It is possible that your career is heading for a change of direction, which may be of some concern for you. Look to next month for some insight into that aspect of your life.

Elizabeth, your Personal Month for May 2017 is 8

Elizabeth, May is an 8 Personal Month in Elizabeth, May is an 8 Personal Month in a 3 Personal Year. It brings financial rewards, as well as respect and recognition. This, of course, is proportional to the effort you have put out during

the past year.

This is a month to focus on career, to be a visionary, and not to hold back when it comes to showing the world how capable you are.

For those who are in business, this is a good time to finalize deals and sign contracts. Investments are generally favorable, as are requests for loans, mortgages, or other methods of financial support. In all worldly matters, this is a time to reach out, to go for your goals. Do not be afraid to take a risk.

As far as matters of the heart are concerned, this is a time to take yourself and your feelings with a grain of salt.

Elizabeth, you are in a generous mode and feel blessed with so many good friends and such a wonderful lover, but when it comes to commitment, you may want to wait a couple of months when you are more realistic in these matters.

For those who are not involved in a relationship, a "co-incidental" meeting with a person from the past brings an exciting romance.

Your Personal Month's compatibility for May 2017 is 9 and 8

Elizabeth and Richard, as is often the case within your relationship, your cycles are influencing you in very different - and not altogether compatible - ways. For Elizabeth, this is a time to get out there and shake some trees, make things happen and reap the rewards. So, the advice for Elizabeth during this cycle is: focus on your career, be aggressive in the pursuit of your success.

For Richard, this is a time when everything feels shaky and insecure. Richard needs Elizabeth right now. Richard needs the human contact, the commitment and the security Elizabeth has to offer more than during most cycles. With Elizabeth's focus on the world outside the relationship, and Richard needing Elizabeth's attention more than usual, it takes conscious effort from both of you to prevent disappointments and perhaps even resentment from overshadowing your relationship during this time.

Elizabeth, pay attention to Richard. You too, will experience a time when nothing will seem secure and solid. In fact, your next cycle will bring some of that and you will need Richard's hand then.

Due to the fact that your cycles always tend to be almost one hundred and eighty degrees opposite, Elizabeth and Richard, you have probably learned to adjust to each other's needs. This ability to surrender some of your own needs to those of your partner is the most important key to making your relationship a long and happy union.

Richard, your Personal Month for June 2017 is 1

Richard, June is a 1 Personal Month in a 4 Personal Year. It gives you a new start in some area of your life, perhaps career, or a some new project or

endeavor.

This is a month of promise and opportunity. Your energy-level increases, as does your excitement for your new direction.

This period requires courage and flexibility. You should also be more verbal: Express your thoughts and feelings; inspire and motivate others to follow your lead.

You may have a difficult time relaxing or enjoying yourself outside working hours. But it's important that you do just that.

An attraction to someone at work may signal danger to you. Even if you are committed, this attraction will prove quite powerful. Be careful. It may damage your future in many ways, not least of which is your career. Consider postponing any action in this area.

Elizabeth, your Personal Month for June 2017 is 9

Elizabeth, June is a 9 Personal Month in a 3 Personal Year and brings a bit of moodiness and instability. You have completed many tasks and enjoyed many rewards during the first half of the year, and now you may be feeling a bit empty -- not unlike the fatigue one has the day after a party. It may be a minor case of burn-out, but for reasons you cannot really put your finger on. It is a time to let go of many old things and prepare for the new.

You have had a number of good ideas during the first part of the year. You have been motivated and experienced much excitement, but not all of your ideas proved realistic. Now reality forces you to take a second look at your projects and goals in a new light. It's a weeding out period.

The positive side of the coin is that, by the end of this month, you'll have a clearer perspective on your direction and projects. You'll know where to place your energy during the second half of the year. While you may find yourself going through some ups and downs during the course of this month, you also feel the first trembling of new excitement.

This month also brings a concluding chapter to one or more relationships, which may cause additional emotional turmoil. However, you are going through a time of natural selection; what is worth holding on to will stay. The rest will go.

Your Personal Month's compatibility for June 2017 is 1 and 9

Once every nine years, Richard and Elizabeth, your relationship will go through a particularly difficult time, a time when only your commitment to your heart will be able to save your relationship. This is such a time. You will experience turmoil, major disagreements, and arguments intense enough that they will make you feel that your partner is no longer the nice person you once knew. This is due to a shift in the cycles that causes an otherwise comfortable and compatible gap of

one - in place for eight years - to suddenly multiply and, almost overnight, increase eight-fold for this one cycle. In addition, this is an emotionally vulnerable time for Elizabeth, exactly when Richard is less sensitive than usual.

There are few, if any, combinations of cycles as difficult and challenging as this one, but with some conscious effort and a dedication to your heart, the relationship will survive and, because of it, become stronger.

For Richard, the most important piece of advice is to give Elizabeth plenty of attention, be very sensitive to mood swings, and provide support, even if you feel that Elizabeth is overly emotional. For Elizabeth, the best advice is not to take emotions too seriously. As you have read in the description of your nine-year cycle, you are going through a lot of changes, which require of surrender and acceptance, giving rise to a tendency to get melodramatic and emotional. Only your hearts can save the day. So, don't listen to your minds. No matter how much sense the mind seems to make, it doesn't have anywhere near the understanding that the heart carries.

Richard, your Personal Month for July 2017 is 2

Richard, July is a 2 Personal Month in a 4 Personal Year. At this time, your relationship with the people in your work or business environment is extremely important. You will need to be sensitive to their needs and desires and you will probably be called upon to play the role of mediator in a conflict between some of these people. Your success in that role will directly affect your future.

You may be disturbed by these new challenges because they emerge at a time when your workload is considerable. However, you are more sensitive and better able to discern the true basis of the conflict this month.

Richard, your enhanced sensitivity also helps you in other areas of your life. Romance is strongly represented but should be kept out of the work environment, which may not be an easy thing to do.

You may have the opportunity to go to a concert or some other musical event and because of your enhanced sensitivity, such events will prove very therapeutic.

Pamper yourself in healthful ways, such as massage, a new exercise and dietary regime, or some time near the ocean, in the mountains, in the forest.

Elizabeth, your Personal Month for July 2017 is 1

Elizabeth, July is a 1 Personal Month in a 3 Personal Year. It is a time of dynamism, courage, and eagerness to begin the new. Last month's blues are gone and you feel you are on top of the world. You are more original and creative than at any time of this already creative year.

Many of those in a 3 Personal Rhythm Cycle may finally break out of

unrewarding patterns. Some may even make career changes, or start their own businesses. This is not a time to be squeamish in any area of your life -- be it money, career or romance. You may experience an urge to write, paint, or express yourself in some other creative way. By all means, take on the challenge.

If you are not already involved, you may well meet someone special, but the relationship, while intense and passionate, may not be a lasting one.

This is a month that will also bring opportunities to mingle with new acquaintances at social events. You will be outgoing and witty. These are great opportunities to make lasting contacts which will help your career and other endeavors.

A warning to the easily excitable: don't brag about your plans and accomplishments. The effect may backfire.

Your Personal Month's compatibility for July 2017 is 2 and 1

Elizabeth, you are entering a period of renewal that brings in new energy as well as a change of direction in your personal life and in your career. You feel motivated and aggressive, perhaps even impatient - nothing moves fast enough for you. Richard, on the other hand, is slowing down somewhat, more concerned about looking for ways to improve relationships with other people. For Richard, this is a time of networking, finding resources, and aligning with others, a time during which emotions and feelings are more important than usual, and Richard may well be a bit more vulnerable in that respect.

These cycles are compatible in most ways and they support each other.

Elizabeth will be the engine of change and progress, while Richard will steer and redirect. However, Elizabeth will have to be sensitive and careful and not expect Richard to be as motivated and driven. In turn, Richard needs to avoid making mountains out of molehills or letting emotions get the better of common sense. Elizabeth may also have to accept the fact that Richard is a bit more demanding than usual.

Richard, your Personal Month for August 2017 is 3

Richard, August is a 3 Personal Month in a 4 Personal Year and is a good time for some relaxation. You will find your workload a little less demanding and may want to take some time off.

You are upbeat and optimistic and able to inspire and uplift others. Do not take matters so seriously this month. It's a time of enhanced creativity and practical application.

You are original in your approach to problem-solving. You receive inspiring ideas and are able to turn some of them into reality. You impress others with

your deep understanding of the issues.

This month also brings spiritual realizations and insights.

You are more aware of the underlying forces that are at play in your life and in the world around you.

The challenge of this month is in overcoming a fear. Richard, you may find yourself confronting some injustice. It may be necessary to meet that injustice alone. Stand up for yourself!

Be wise, but do not seek to avoid the issues.

Elizabeth, your Personal Month for August 2017 is 2

Elizabeth, August is a 2 Personal Month in a 3 Personal Year. It requires a sensitive and cooperative attitude at work and in all other areas. You are upbeat and optimistic during the early part of this month but an anticipated reward or recognition may go to someone else, much to your dismay.

Your challenge is to set the record straight by using your diplomatic skills. Do not allow anger to alienate you from those involved. Otherwise, relationships go favorably this month.

You are in a position to smooth out some long-standing disagreements between people close to you. Often, these disagreements do not involve you directly. You have the opportunity to serve as a peacemaker.

Romance is also strongly represented and highly favorable. Elizabeth, your feelings are strong and your ability to communicate these feelings is enhanced. A good month to spend some extra time with your lover.

Your Personal Month's compatibility for August 2017 is 3 and 2

Elizabeth is experiencing a time when emotions are felt stronger than usual and with more impact. It is as if a protective layer has been stripped, leaving Elizabeth more vulnerable than usual. At the same time, Richard is experiencing a time of inspiration, enthusiasm, and creativity; a light-hearted time when emotions tend to have less impact than they usually do. Richard feels quite confident and won't dwell on emotions as much as during other times. Elizabeth, however, feels them strongly. Often, this translates to mood swings and moments of emotional insecurity and confusion on Elizabeth's part, contrary to Richard who is less sensitive and intuitive.

The result can be confusion and misunderstandings. Richard doesn't understand why Elizabeth is getting so upset about some minor argument, while Elizabeth wonders why Richard seems so unattached and distracted, almost as if Elizabeth's feelings don't matter. This is a time, Richard, to pay close attention to Elizabeth and the relationship you have together. For Elizabeth, it is important not to dwell on emotions. Feelings of neglect are unwarranted, and if Richard seems

a bit caught up in other things, that's because Richard feels secure and comfortable enough in the relationship to focus on creative endeavors, social events and people outside the relationship.

Richard, your Personal Month for September 2017 is 4

Richard, September is a 4 Personal Month in a 4 Personal Year. Six months or a year from now, you will look back at this month and realize that in some way it represented a turning point on your path to success.

However, you may feel frustrated during this month and wonder why everything is moving so slow. In a way, it seems that life has you in a straight-jacket, but in fact you are being protected from yourself. The emphasize is on the irritating and seemingly unnecessarily details. You are forced to deal with things you consider a waste of time. These loose ends can no longer be ignored, but you feel frustrated by the limitations of time and the massive amount of work.

The situation is, in fact, two-sided: One side is effort, the other reward. You are being prepared to take full advantage of a string of opportunities that will begin next month, and will continue all next year. The challenge for you is to keep up. For that reason, you must finish the work in front of you now, to make room for the opportunities to come.

Meanwhile, guard your health, especially against the effects of stress and frustration. Richard, you would do well to eat healthy foods and in a regular and orderly fashion. Go to bed early; read to widen your view and escape. Do not dwell on the negative. Leave affairs of the heart to themselves for a while, until this intense period passes.

Late this month, you will start to see the light at the end of the tunnel, but looking back you will be grateful and relieved that you took on this process of re-organizing the basics in both, your work and your personal life.

Richard, October is a 5 Personal Month in a 4 Personal Year. It brings opportunity and change. You may be asked to go on a trip related to work or business. This trip is unexpected but will bring very positive results. Another possibility is that you are offered a transfer and promotion. Either way, there will be changes in your environment.

Now is the time to take some chances, to promote your self unabashed, and to reach out to other possible sources of income. If you are in sales or business, this is one of the most promising times of your life. If your work is more service-oriented, you may receive a long-awaited promotion.

Friends and family members are supportive. Romance is exciting. This is a dynamic month in all respects and will wipe away the frustrations of last month. However, a warning is in place: You may have a tendency to make impulsive decisions, to be a little irresponsible, and to put your foot in your mouth. This hectic and dynamic month brings with it some chaos, and restraint is needed in order to maintain some control over the events.

Elizabeth, your Personal Month for October 2017 is 4

Elizabeth, October is a 4 Personal Month in a 3 Personal Year. It requires you to be practical and disciplined in all matters. It brings opportunity as well as limitations.

Career is a high priority and you will find yourself putting in overtime. Details will need to be taken care of. There is very little room for slacking, and everyone may be making demands of you. You may feel frustrated and need to blow off steam.

On the other hand, there is also much opportunity implicit in these demands and you will be pleasantly surprised with the rewards that come your way late in the month. You'll have to respond quickly. You may feel that you are not ready to take on the new challenge that comes with this opportunity, but if you overcome this temporary lack of confidence you will be well rewarded.

This month is demanding in domestic affairs, as well.

There is an ongoing need to watch finances carefully, make decisions concerning your budget, and plan for the future. If you have not been keeping a close eye on your checkbook, Elizabeth, this month will force you to balance your account and make up for haphazard expenditures of the past.

There's not a whole lot of time for romance this month, but when you can find the time, your partner's love brings perspective and rejuvenation.

Your Personal Month's compatibility for October 2017 is 5 and 4

Elizabeth and Richard, this is a time during which you are under very different influences. It is a time of focus, effort, and sometimes frustration and stagnation for Elizabeth, and a time of change, excitement, and dynamic energy for Richard. As a result, Richard is in a position to help Elizabeth to keep moving forward and not get too frustrated by the demands of this cycle, and Elizabeth will be able to function somewhat like an anchor for Richard. Richard can certainly use the stable influence of Elizabeth during this hectic and unpredictable time.

The most positive effect of this combination of cycles is that their combined forces almost always deliver progress and decisiveness. By the end of this cycle, you will realize that you will have established new goals, and a clearer horizon will make it much easier for you to see where you want to go next. A negative effect you should be aware of is that you may find yourselves moving in such different directions that, at times, you will feel like strangers. Share your feelings and ideas as much as possible and reach out to each other. Physical closeness and sharing things you both enjoy will help you keep connected on all other levels.

Richard, your Personal Month for November 2017 is 6

Richard, November is a 6 Personal Month in a 4 Personal Year. It offers the chance to strengthen your foundation in life. You pay close attention to the needs of your family and circle of friends. You are serious and responsible in all matters related to career and receive recognition and respect for that.

Financially, this could be a good month with an unexpected reward coming sometime during the last week. In many ways, this month brings blessings and can be very satisfying.

Your workload is considerable but doesn't burden you as much as it did during other times of this year. You have the energy and feel confident that you are now moving in the right direction. Feelings of insecurity and frustration that loomed so prominently during most of this year are disappearing. Richard, your friends and family members display strong signs of loyalty and feelings are expressed more freely. One or more of your friends or relatives needs a boost and comes to you for help. You are happy with the opportunity to help out in a practical way as well

as with moral support. You play the role of (m)patriarch.

The only troubling experience during this month will be the need to deal diplomatically and tactfully with a long-standing problem, perhaps with someone at work. A basic personality conflict has been the cause of friction between you and a co-worker, and this can no longer be ignored. Tension will come to a head but there is an opportunity to turn a difficult relationship into one of tolerance and mutual respect.

Elizabeth, your Personal Month for November 2017 is 5

November is your second 5 Personal Month in a 3 Personal Year, and as before it brings change, excitement, and possibly a financial boost. The 5 brings movement -- travel, a change of residence or office, perhaps.

You will receive a letter or phone call from someone close to you whom you haven't heard from in some time.

This month should be light and playful. Try not to take things too seriously. The down-side of this combination (5 and 3) is in the area of relationships. You may have a tendency to misread others, to be a little insensitive and short on tact. Avoid confrontations in personal matters as well as those related to work. As long as you are upbeat and supportive, friendship and social events are favorable.

As was the case with February of this year, November may also find you in the mood to indulge yourself. Moderation may be hard to maintain, but it's still the best advice.

Your Personal Month's compatibility for November 2017 is 6 and 5

Elizabeth is in a cycle of change and highly charged energy. Richard is in a cycle of stability and responsibility. Elizabeth's energy is restless and dynamic, Richard's energy is focused and grounded. Elizabeth is looking around for opportunity and adventure. Richard is looking at the home and the family. Richard's attention is focused near by, on the people and things that matter most. Elizabeth's attention is focused away; on work, career, travel and so forth. These cycles are as opposite as two cycles can be, yet they are not incompatible. Within a relationship, these influences complement and balance each other. However, if they get too inner-twined, they will turn on each other and anger and blame are the most likely result. It is important, now more than at almost any other time, Elizabeth and Richard, that you don't try to influence each other too much. Live and let live is the slogan for this month. You probably have realized by now that, more often than not, you are experiencing very different cycles. This is an important aspect of your relationship not limited to this particular cycle. It will always be that way. You should accept the fact that you

tend to be influenced by very different energies most of your lives. Therefore, you may just want to make the concept of live and let live a family slogan -- for life. But, as you probably have also realized by now, although the influence of your personal cycles always tend to place you at opposite ends of the spectrum, it also means that you complement each other very well and make a great team when you put your minds to it. In particular when it comes to showing a single front to the outside world.

Richard, your Personal Month for December 2017 is 7

Richard, December is a 7 Personal Month in a 4 Personal Year. It's a fitting end for this year. You now enter a period of introspection, contemplation, and meditation, similar to that experience in March. December focuses you on inner-growth and soul-searching. However, that is where the similarities end.

December is a much more comfortable time for such an inward-journey and expansion of your consciousness. There will be plenty of opportunity to withdraw, to seek the quiet. Whether you enjoy this time depends on whether you value such an experience.

This has been a year of hard work and, at times, frustration, but the work will pay off. You are now more aware of that, and even that the year was well-spent.

Understanding the value of day-dreaming and contemplation is more difficult as a result of this society's emphasize on action and result. However, the quiet, "un-productive" times of this month will be at least as rewarding, spiritually as well as practically. It allows for deep inner-contentment and a fuller awareness of the love and goodwill of others.

Only the 4 Personal Year closes with such a beautiful and fitting counter-balance to a difficult and busy year.

Elizabeth, your Personal Month for December 2017 is 6

Elizabeth, December is a 6 Personal Month in a 3 Personal Year. The month stabilizes your work-environment, but requires that you work on your relationships and family affairs. You will be in the unique position to counsel and support someone in your circle of friends and family with immediate and positive result.

It will be one of the most rewarding experiences of this year for you.

A promotion or a raise are possible, as is an increase in your workload.

This month is good for business and financial affairs, particularly for long-term planning and investment. If you are involved in legal affairs, the time is right to surge ahead.

Romance is also favorable. Commitments bring stability. For those who have become involved in a relationship during the course of this year, this is a good month to exchange vows.

This should be a wonderful time for most of those who are in the last stage of this 3 Personal Year. The holidays bring family and friends together, for much love and the rewards of the season.

Your Personal Month's compatibility for December 2017 is 7 and 6

Elizabeth and Richard, you are experiencing very different cycles.

On one hand, the influences of the six and the seven complement each other very well. On the other, they create such different needs you may find that there is little common ground between the two of you. You may find that you disagree on just about everything; how to spend your vacation, what kind of car to buy, which of your friends to invite, and so forth. Elizabeth is reaching out to people, Richard is avoiding them. Elizabeth is more extrovert than usual, Richard is seeking peace and quiet.

A positive influence during this time is found in the fact Elizabeth more tolerant and giving, willing to sacrifice here and there to accommodate Richard. This is an important and much needed factor to make this a harmonious time. Richard is not very patient right now and doesn't want to be bothered.

Elizabeth, it is important to remember that if Richard seems a bit cool and distant, this has nothing to do with the relationship. Richard is doing some soul searching and needs to be given some space and distance. Richard, it is crucial not to forget Elizabeth and not to get lost within yourself to the extent of ignoring the world around you. Pay attention to those you care about, Richard. Your relationship with your friends, your family and with Elizabeth will last a lot longer than this period of self-examination and spiritual exploration.
