INTRODUCTION

About your Personal Reading

This reading was composed for you personally, Oprah, and is based on your full name at birth, your date of birth, and the name you now use to introduce yourself. Please check your birth data on the title page to make sure the names and date of birth used are correct.

If you have two or more middle names or last names, you may find the names strung together. This is necessary to make Transit and Essence cycles function correctly. For example, the name John Patrick Henry Hancock would appear on the title page as John Patrick Henry Hancock.

Oprah, your Personal Numerology Reading describes all aspects of your chart as they are understood in numerology, accurately and in-depth.

Each chapter starts with a short introduction telling you where this particular number is found and how it affects you. This is followed by the number itself. Often, you will find a double digit number followed by a single digit.

The meaning of your number is then explained in easy to read language. Oprah, you don't need to know anything about numerology to be able to enjoy and benefit from this reading.

I hope you will enjoy your reading.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Oprah, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality

Chart!

Your Life Path is 13/4

Oprah, you are practical, down to earth with strong ideas about right and wrong. You are orderly and organized, systematic and controlled, you are decisive and methodical employing a step by step rational approach to problems solving. Once committed you do not give up easily!

You are not one for "get rich quick" schemes. Rather you use hard work and long hours to build a business or career; you seek to establish a solid foundation. Precise, tenacious and persevering, you have great potential for success, but only after putting out effort and overcoming the limitations you so often encounter. Justice and honesty are sacred to you. You are reliable and dependable, a cornerstone in the community.

Though not an idealist, you are willing to work for a better world in a realistic way. However, you can be rigid in your ideas and sometimes too quick in judging your fellow man. You are loyal to those you love and work well with others. It is important that while being part of a team you have your own responsibility and well- defined task, you perform better when your responsibilities are not overlapping with those of others. You have to be careful not to be bossy and rude. You possess rare discipline and perseverance and not everyone can keep up with you.

Oprah, you can handle money carefully and like the security of a nest egg.

Your love of work often leads you into a career early in life. Because of your methodical nature you can easily become rigid and stuck in convention. You can also be overly cautious when changes are necessary, this can cause you to miss opportunities that present themselves. You must cultivate flexibility in your character. You are well suited for marriage and often become a responsible loving parent. However, anything that violates your profound sense of order, such as separation or divorce can be a shattering experience for you. You easily become obsessed and even vengeful, seeking your own definition of justice.

You are courageous and a true survivor. You are a builder and the foundation of any enterprise. Your hard work and practical, traditional values pay off to provide you with the rewards you seek and deserve.

Oprah, your 13 Life Path is somewhat burdened by the presence of a Karmic Debt.

Those with the 13 Karmic Debt will work very hard to accomplish any task. Obstacles stand in their way, and must be overcome time and again. One may often feel burdened and frustrated by the seeming futility of one's efforts there may be a desire to surrender to the difficulties and simply give up on the goal, believing it was impossible to attain in the first place. Some with the 13 Karmic

Debt fall to laziness and negativity. But efforts are not futile, and success is well within reach. One simply must work hard, and persevere in order to reach the goal. Many highly successful people in all walks of life, including business, art, and athletics, have a 13 Karmic Debt.

The key to succeeding with the 13 is focus. Very often, people with the 13 Karmic Debt do not concentrate or direct their energies in one specific direction, or on a single task, but scatter their energies over many projects and jobs, none of which amount to very much. A temptation with the 13 is to take shortcuts for quick success. Too often, that easy success doesn't come, causing regret and the desire to give up. The result is a poor self-image, and the belief that one is incapable of amounting to very much.

In order to focus, you must maintain order in your life. Order is essential to success. You must maintain a schedule, keep appointments, and follow through. Keep your environment neat and under control, and never procrastinate. If you sustain a steady and consistent effort, you will realize much reward.

BIRTHDAY

The day you were born bears great significance in understanding who you are and where your talents lie. The day of birth indicates some special talent you possess. It is a gift to you that will help you along your Life's Path. Your day of birth is one of your four core numbers -- the Life Path, Expression, and Heart's Desire being the other three. It is the least significant of the four core numbers, but perhaps the most finite, in that it reveals a specific ability you possess in a marked degree.

Your Birthday is 29

You are highly intuitive and creative. Oprah, your mind thinks in pictures. You seem to draw information and ideas from out of the sky.

Your intuition is your gift, along with a powerful drive to know the Oneness of all things. You are so driven by spiritual pursuits that no matter what you do in life, the world of spirit and philosophy will be central to your daily behavior. You feel linked with the larger universal forces, and nothing will change that.

You have a fine mind and keen insights, but these do not come as a result of logic or rational thought. You are more likely to direct your life by inspiration, rather than by calculated reflections.

On some level, you know that you are in the hands of destiny, and that you must surrender to the higher powers that shape your life. You are usually a late bloomer. Your early and middle 30s tend to be years spent in apprenticeship and

slow development. During this period, you can become frustrated with your progress, or the apparent lack of it.

Oprah, you need to develop faith. You are a highly charged person with much to do, but you must develop character and sound judgment before you begin to tap your true potential. Just as a tree needs roots to grow tall, so, too, do you need to develop depth of character in order to begin to expand in the ways you desire and ultimately envision.

Your highly developed intuition makes you a wonderful counselor, healer, or health practitioner. You have a gift for inspiring people. Many people admire you without your knowing it. You are a visionary, and others sense your wisdom.

You are acutely sensitive and easily influenced by your surroundings. You love beauty and harmony. You crave social interaction and much attention. You can be very emotional, often experiencing extremes of happiness and sadness. You are usually too easily hurt.

You get depressed easily and feel the lack of confidence during times you are in a dark mood.

Despite your sensitivity, you possess leadership abilities. You are modest, diplomatic and polite. You have the ability to persuade, and can be quite forceful.

Oprah, your high sensitivity to others makes you compassionate, kind, and gentle. You have an opportunity for fame and success as long as you do not pursue either as your gods. Look for ways to help others and convey a larger message, with which you were blessed. This will bring you the material and social fruits you desire.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your

personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Your Expression is 7

Oprah, you are gifted with an analytical mind and an enormous appetite for the answers to life's hidden questions. You have a strong interest in exploring scientific matters, philosophy, and even mysticism. You possess clarity and persistence in your search for truth. You can be a great researcher, educator, and philosopher.

You are driven by a desire for knowledge and truth. You must learn to discriminate between illusion and reality, but you are well equipped for this task. Your fine mind offers you insight into the veiled mysteries of life. You also possess a considerable amount of perspective. Somewhere inside you, you are aware of a peaceful place that you call upon during difficult times.

Oprah, you need time to be by yourself. Too much social interaction causes you stress. You need your privacy and a place that can be shut off from the hustle and bustle of life. You tend to keep your thoughts to yourself and are secretive. Unless your 7 expression is balanced by extrovert characteristics (usually revealed by the numbers 1, 3, 5, and 8), your introversion may pull you deeply within yourself, even cutting you off from others.

You have a strong dislike of the superficial and mundane. You are often surprised by the lack of understanding or depth of knowledge of others, many of whom do not take the search for knowledge as seriously as you do. This can cause you to be critical of others, and even cynical about life in general.

The more cut off from others you become, the more hidden are your motives. Once you develop understanding of people and life, your advice and counsel will be sought by those around you who need your wisdom.

You love to specialize your knowledge and develop great depth within your field. You are a perfectionist.

You should complete your studies early in life and not be driven too hard by a desire to be successful. Let things come at their own pace, be open to opportunity, but remember your rewards, satisfaction, and contentment come from a higher source.

Sevens can be distant and aloof. When dominated by their darker characteristics, they can be unfaithful, dishonest, and cruel. Contemplation, meditation, and the softer, finer vibrations of life can restore your sense of harmony and keep you on the path to peace and balance.

Oprah, you have a logical mind. Your analytical skills cause you to approach a problem in a detached, surgical kind of way. Researchers, analysts, investigators, inventors, technicians, scholars, lawyers, bankers, watchmakers, priests, philosophers, theologians, and administrators in some scientific or

technical field are among the vocations 7s are drawn to.

MINOR EXPRESSION

The Minor Expression number is based on the current (or short) name; the name you now use to introduce yourself including your last name.

The influence of the short name is minor in comparison to your full name. Interestingly, the short name often compensates in some way for numbers (and their related characteristics) that are missing or out of balance in the full name.

For instance, a number missing in the full name may show up prominently in the short name; or a number (or numbers) that appears in excess in the full name can be compensated for in the short name. If a name change takes place later in life through marriage or for professional reasons, it adds or subtracts certain qualities. It can also focus and intensify existing characteristics or talents that may be latent.

Your Minor Expression is 5

Your short name adds considerable flexibility and versatility to your personality. Oprah, you now enjoy more travel and adventure. You are more curious about people, new places, and seek out more excitement in life.

You are more dynamic and alive. New and original ideas come quicker to you. You are a good deal more creative. Your verbal skills are increased and your ability as a salesperson or promoter enhanced.

You suffer more when confined by restricted spaces or rigid rules. You yearn for greater freedom of movement and expression. You are more likely to strike out on your own, with your own ideas or methods.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's

Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Your Heart's Desire is 13/4

You like to live a stable, well organized life. You dislike sudden changes. You prefer orderliness in all things. You have a systematic mind that is reflected in everything you do. You can establish and maintain a routine. You are exacting with details and quite thorough.

You like to carefully analyze a problem and then tackle it in a logical and practical approach. You want to be dependable, a rock of strength and an example of discipline for others.

Work is central to your life, but you may have a tendency to overdo it; you can easily become a workaholic if you're not careful. You have a great deal of energy and can accomplish a lot.

You want a family and you are a good parent. You may carry the discipline and the need for orderliness too far, especially in your family, making children and spouse feel oppressed and limited. Flexibility is your key to harmony and balance in life. For you, structure is more important than freedom, which you tend to interpret as chaos. But others do not have your need for well defined systems, in fact, they may feel deeply inhibited and uncomfortable with it. The peace you get from orderliness may represent a prison to someone else.

Oprah, you need and want much love, but you are not very demonstrative. You can be a little rigid and stubborn.

You are honest and unpretentious. You detest liars and affectations.

You can be very determined and tenacious. You are the bedrock of any enterprise. You have the courage to go into the nitty gritty of a problem and come up with a solution. Try not to lose sight of the larger picture and dream while you plumb the depths of the bottom line.

MINOR HEART'S DESIRE

The Minor Heart's Desire number is derived from the vowels of your current name; the name you now use to introduce yourself. The current name is a refinement of the more complex qualities of your longer name (the full name at birth). It sharpens and bundles the energies that are reflected by your full name. It intensifies certain aspects of your being, and de-emphasizes others. For this reason, the short name often provides insight into what you truly want in life. It also often reveals the extent of your understanding of what you want from this life. It reveals both your strong desires, and the limits you place upon your potential.

Your feelings about your current name are different from your full name. It

affects how you feel about yourself; it changes your identity slightly.

Your Minor Heart's Desire is 12/3

Oprah, your shortened name adds enthusiasm, creativity, and liveliness to your personality. You have a greater facility with words and a deeper appreciation for the arts. Writing, singing, acting, and dancing all come easier, especially if you already have talent in any of these areas.

Your Minor Heart's Desire encourages you to be more social, more flexible, and fun-loving. It makes you less serious.

You are wittier and much more inspiring. The 3 provides you with uplifting energy which can motivate others.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Your Personality is 12/3

Oprah, you are highly attractive. Many men with a 3 Personality are very handsome; women are often strikingly beautiful.

Your vibration is full of life. You are uplifting, inspiring, and charming. You are a fun person to be around. Your wit and sparkling personality make you the life of a party.

You are extroverted and optimistic. You appreciate fine clothing and jewelry, and enjoy dressing up a bit. You like glamour, and are sought after by the opposite sex.

You are a romantic. Oprah, you fall in and out of love rather quickly. You are affectionate and giving.

Do not let your charm be an incentive to play too much. Work at developing deep and lasting relationships. You have to avoid scattering your attention for popularity.

You can be flippant about commitments and may dramatize or exaggerate.

Your wit can cause you to rely too much on superficial, humorous conversation.

You have a distinct "lucky streak" that attracts many opportunities throughout your life. You also have a knack of promoting yourself as well as inspiring others. When backed up by hard work and self-discipline, these qualities almost ensure your success.

MATURITY

Your Maturity number indicates an underlying wish or desire that gradually surfaces around age thirty to thirty-five. This underlying goal begins to emerge as you gain a better understanding of yourself. With self-knowledge comes a greater awareness of who you are, what your true goals in life are, and what direction you want to set for your life. This, in a nutshell, is the gift of maturity: You no longer waste time and energy on things that are not within your own special identity.

No matter what your age is at present, your life is being channeled in a specific direction, toward a very specific goal. That goal can be seen as a reward or the fulfillment of a promise that is implicit in your current efforts, often without your knowing it consciously. While the characteristics of this number are usually visible during childhood, we tend to lose sight of these aspects until later in life. But our lives are always being affected by this influence, nonetheless.

Your Maturity number begins to have a more profound impact on your life after the age of 35. The influence of the number increases steadily as you grow older.

Your Maturity is 11/2

As you mature, Oprah, you will discover that you possess a growing talent for understanding and working with other people. Your ability to influence others through tact and diplomacy will grow. These talents will further you along in your career or business. You will become increasingly shrewd, and will learn the art of discrimination. Your sensitivity to the needs and desires of others improves dramatically. You will be able to evaluate their motivations with a growing clarity and uncanny accuracy.

You find you can get more done by persuasion and gentle guidance than by force.

Oprah, you may well have to learn to assume the role as the power behind the throne. Your influence is less public, and you may not always receive the public recognition you deserve. However, your satisfaction comes from seeing the fruition of your own ideas come about, the result of teamwork and cooperative efforts.

If you already have many 2s in your chart, especially in the core numbers, you may become overly sensitive, a characteristic you will have to keep in check. If you have few 2s in your chart, the influence of your Maturity Number will greatly increase your ability to work harmoniously with other people.

L/E BRIDGE

The Bridge numbers in your chart are the numbers that indicate how you can make the relationship between the individual core numbers in your chart easier and more compatible. Bridge numbers have the potential to "close the gap" between the Life Path and Expression number, or the Heart's Desire and Personality number.

In this chapter we will explain what you can do to make your talents, strengths, and specific abilities (Expression number) more easily available and fitting the needs of your main lesson(s), and expected direction of growth (Life Path).

Your Life Path / Expression Bridge number is 3

Loosen up a bit, Oprah. Have some fun; recharge your batteries. Be more generous to yourself. Communicate your deeper feelings without fear to those close to you. Be more creative, particularly in the areas of dancing, writing, acting, or poetry. Develop faith in yourself.

H/P BRIDGE

Several Bridge numbers can be found in your chart. The Bridge number between the Life Path number and the Expression number was described earlier in your reading. The following Bridge number relates to your Heart's Desire number and your Personality number. This Bridge number, the Heart's Desire - Personality bridge, explains how you can make your deeper self -- your needs and desires, your true nature -- more aligned with the part of your personality others tend to recognize when they meet you. With a little exaggeration, you could say that your Personality number is somewhat like your mask. It is the more superficial you; a protective shield and a camouflage of the deeper you. You can easily imagine how much more comfortable, and less self-conscious, the experience of life becomes when your deeper and more real you is closer and more fitting to the personality you reveal on a day to day basis.

Your Heart's Desire / Personality Bridge number is 1

Oprah, you should rely more on your own strengths and abilities. Be more decisive; don't beat around the bush and be straightforward when expressing your thoughts and feelings. You need to take charge more often. Get off the beaten path and find original ways of doing things. Do not try to be conventional, or try so hard to behave according to the expectations of others.

KARMIC LESSONS

Numerology is based on the understanding that we enter life with certain strengths and weaknesses. Karmic lessons are areas that we are currently weak in and must be faced and worked on in this life. There can be more than one Karmic Lesson. These are indicated by the absence of certain numbers in your name.

The letters and numbers of your name point to talents and abilities that you possess. These characteristics can be compared to a workshop in which certain tools are available to you. Missing numbers, those that are not represented in the letters in your name, imply tools that are unavailable, and must be learned and mastered during this lifetime.

You may well recognize your Karmic Lessons as weaknesses you have learned to overcome in the course of your life, however, the challenges implied in your Karmic Lessons will continue to come up occasionally for the rest of your life.

You have a Karmic Lesson 2

Oprah, you must learn to be more diplomatic and tactful, to stay in the background when necessary and sometimes to accomplish something without the need to be praised and rewarded. Learn to be part of a team.

You must learn to be more sensitive to other peoples' needs and feelings. You will regularly find yourself in a situation where the only road to success is through patience and attention, requiring you to work closely cooperatively with others.

The effects of this Karmic Lesson are diminished if you have at least one 2 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

You have a Karmic Lesson 4

Oprah, you feel confusion about your life's direction. You will have to establish

a methodical and disciplined approach. You need to create a foundation for your life. Otherwise, you will feel lost and tossed about by change.

You have trouble finding the work you do best. You tend to be somewhat impractical and disorganized. You look for the answers to life's problems outside yourself, rather than within. New jobs start off as The Answer, but do not have the same glamour for long. You quickly discover that the new work requires the same effort and perseverance, without the excitement you expected, which may cause you to give up too soon.

Concentration and application need to be strengthened.

The effects of this Karmic Lesson are diminished if you have at least one 4 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

HIDDEN PASSION

Your Hidden Passion reveals one or more special strengths and talents that you rely upon and are available to you. The Hidden Passion represents your specific field of expertise, or a concentrated talent.

Metaphorically, this talent can be seen as having a power all its own to shape your life. Its existence gives you a strong desire to develop and to express that particular ability. Having the talent demands that you express it, that you experience this part of you, and that you live according to its nature. In this way, the Hidden Passion shapes your personality, and guides your life.

Your Hidden Passion is 9

Warm, generous and compassionate, you would do well and be quite happy in any undertaking that not only supplies you with a decent living but also is for the good of all. Oprah, you are artistic, the nine is responsible for many of our creative geniuses, however these talents are often suppressed, sometimes coming to the surface at middle or old age. You have a strong desire for insight and universal knowledge. You are emotional, your feelings are not always sensible and they too are often suppressed. You can get caught up in dreams and ideals without being practical but with enough fire and enthusiasm to attract support. Your oratorical abilities save many a situation. You are driven to do your own thing and are quite independent.

PLANES OF EXPRESSION

Each of us experiences life on four different levels: with our physical body; our mental faculty; our emotional makeup; and our intuition. Each of these areas has

a specific means of perceiving information. The physical body is capable of touch, taste, pleasure, and pain. It provides us with a sense of the physical world. The mental body, like the emotional and intuitive natures, perceives the invisible worlds. Our minds deal with the world of thought. The heart, of course, is preoccupied exclusively with the world of emotion. Our feelings teach us many things about ourselves and about others. Finally, we have the capacity for direct contact with the higher realms by way of intuition. Intuitive insight comes in a flash. It is not rational -- that is the world of the mental plane -- but comes as if it were placed at the doorstep of our minds. Intuition, therefore, bypasses all effort.

These four faculties exist in all of us. But each of us depends more on one or two of them for the bulk of our knowledge. Some of us are possessed by our senses, while others live almost exclusively in our hearts, or minds.

Numerology indicates how we as individuals function on each plane.

The letters of the alphabet are divided in four categories: physical, mental, emotional and intuitive.

The proportion of each category in your name gives a good indication of which Planes of Expression are strongest in you, and which ones are weaker.

These Planes of Expression can greatly help you to understand your talents and abilities.

PLANE OF EXPRESSION PHYSICAL

Your Plane of Expression Physical is 10/1

Oprah, you are active and inspiring; you are daring in business and other areas of life.

You have strong likes and dislikes and live according to your opinions.

You are charming and witty but get bored easily. You work hard and determined and are very goal-oriented. You thrive on the combination of enthusiasm and challenges, the lack of which makes you dull and disinterested. You are like a flare, burning brightly for a specific duration, but must move on to other projects in order to sustain your excitement.

PLANE OF EXPRESSION MENTAL

Your Plane of Expression Mental is 32/5

Oprah, you have a quick and highly versatile mind. You can absorb great quantities of information quickly and retain the important points.

You are impatient with routine procedures, and will rebel if forced to conform to any existing pattern for very long. You like to be involved in several projects at the same time. You are dynamic and resourceful.

PLANE OF EXPRESSION EMOTIONAL

Your Plane of Expression Emotional is 24/6

Oprah, you are highly emotional, yet you possess a rare degree of balance to which you can turn. You love family and close friends as few people are able. You worry too much and feel responsible for other people's actions.

You take justice and honesty with extreme seriousness; however, you may be too disciplined.

You have artistic talent. You like to help others more than most, and are willing to sacrifice your own needs. You have an ability for teaching and healing.

You need much love and can give the same in return. You are highly idealistic, and very committed once you decide upon your soul mate.

PLANE OF EXPRESSION INTUITIVE

Your Plane of Expression Intuitive is 13/4

Oprah, you are traditional and like established procedures. You do not feel comfortable with abstract and unproven ideas. You prefer your ideas to be practical and usable. Your religious beliefs tend to be conventional.

BALANCE

People experience different internal responses to life's challenges. Some withdraw from difficult situations to think them through; others withdraw from their emotions, to try and keep themselves from feeling anything. Some explode with emotions, but allow the explosion to pass quickly. Others linger with their feelings, holding on to them well past the time they should have let them go.

Very often, these are conditioned or emotional responses that emerge without thought or analysis. Maturity and self-development help us to learn new and more effective methods of handling our world and the problems we confront. Your Balance number provides you with the guidance on how best to deal with difficult or threatening situations.

Your Balance is 9

You will find your solutions by empathizing with the concerns of others Oprah. You have a gift for understanding a wide variety of people and seeing the broader picture. But too often you retreat to aloofness, a kind of Ivory Tower, in which you

regard yourself as an aristocrat, above the masses. Oprah, you will find your solutions by coming down to the practical reality where people live. It is in giving that you will receive.

RATIONAL THOUGHT

Your Rational Thought number reveals what can probably best be described as the way you think. Are you a practical, methodical thinker, or a dreamer? Do you frequently allow your imagination to color your perception? Are you unconventional and original in the face of a practical problem, or do you stick to proven methods?

This is the kind of information revealed through your Rational Thought number.

Your Rational Thought is 60/6

Oprah, you are a listener, and you tend to relate everything to the effect it has on others.

You notice things that escape others, but when you try to find solutions, you often focus on details, forgetting the larger picture. Justice is a major factor in your thinking, many people in the legal field have this number.

When it comes to approaching a project or a problem that requires insight into the hearts and minds of children, very old people, or anyone who is disadvantaged in body or spirit, you have few equals. You are a natural defender of those who can not defend themselves. Depending on the core-numbers of your chart, you may want to consider a career in the legal field, or in the areas of teaching and healing.

CORNERSTONE

The first letter of your first name gives an additional indication to your character, particularly as to the manner in which you approach opportunities and obstacles. The first letter is called your Cornerstone.

Your Cornerstone is O

Oprah, you have willpower, religious convictions, and high moral standards. You are patient and thorough when preparing yourself for some new venture. You respect rules and regulations. You are emotional and have to guard against jealousy. You are given to spells of brooding and imaginings.

SUBCONSCIOUS SELF

Your Subconscious Self reveals how you react to demanding situations. It indicates your ability to get the most out of your talents and opportunities, especially when you face new or challenging circumstances. The Subconscious Self also reveals the areas of our character that need to be strengthened.

Your Subconscious Self is 7

Oprah, you can appear indifferent to your surroundings and somewhat aloof. You are well-balanced and can survive many a stormy time. In time of trial, you withdraw within yourself finding solace and answers, in your creative and analytical mind. You may be a bit of a loner and do not easily share your feelings with others.

CHALLENGES

Each of us is born with both strengths and weaknesses. Numerology looks at life as if it were an educational process that is meant to bring out and enhance our talents, and turn our weaknesses into strengths. This serves to complete our being.

The job of becoming whole is one in which we must face our weaknesses and consciously work to improve ourselves. There are four Challenges to be faced during our lives. For many of us, the same challenge is repeated, while others have four distinctly different lessons to learn.

The Challenges on your life's path provide specific lessons that you must attend to, and, in order to inspire and help you, life will place you in situations that require the specific characteristics of your Challenge numbers.

The four Challenges you are required to overcome during the course of this lifetime will influence you during different periods of your life, except for the Third or Main Challenge, which lasts from birth until death. The Challenges are fluid periods of your life, not confined to specific years so much as general periods. All of your Challenges are present at birth, like actors standing in the wings.

THE FIRST CHALLENGE

The duration of the First Challenge usually lasts from birth until approximately the age of 30 to 35.

Your First Challenge is 1

You must learn to be independent. Oprah, you will be forced to stand up for yourself and your rights. You will be faced with situations in which you will have to

choose between standing up for what you think is right versus giving in to another person's demands. You will have to struggle to strengthen and know your own will power.

You will have to learn to be firm and trust your judgment. Don't run with the crowd, be an individual. This whole lesson represents the frontiers of your consciousness. Therefore, you will have to experience much trial and error, sometimes exploding with bursts of aggression, other times being intimidated and letting frustration and anger build within you until you are ready to act on your deepest instincts.

Oprah, you will learn your own set of values; you will develop into an individual with original and innovative ideas.

If you have 1s in your core numbers or in your Hidden Passion this challenge will not be as difficult to learn, or as strongly felt.

THE SECOND CHALLENGE

The Second Challenge usually lasts until the age of about 35 to 40.

Your Second Challenge is 1

(This Challenge is the same as the First, as described above.)

THIRD CHALLENGE

This Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge.

As you master this challenge, your life will come more and more under your own control. You will incorporate the positive aspects of the challenge into your character. This is its purpose in the first place. Therefore, there is implicit in the challenge a chance for great reward.

In short, this may be the secret to your success.

Your Third Challenge is 0

This is a less demanding challenge. Growth is allowed to take place without one particularly serious obstacle. This does not mean that there will not be challenges on your path, but there is no single and consistent challenge during this period.

Oprah, you are being challenged to stay faithful and focused on your highest ideals.

There is an opportunity to go deeper within yourself, and discover the inner being that is you.

THE FOURTH CHALLENGE

The Fourth Challenge is most strongly felt during the latter part of our lives, beginning at the age of approximately 45.

Your Fourth Challenge is 0

(This Challenge is the same as the Third, as described above.)

PINNACLES

The Pinnacles are four long-term cycles, or periods, on our Life Path. Each Pinnacle represents a particular lesson we are working on. The first Pinnacle usually lasts from birth to between the ages of 30 and 35 (your specific Pinnacle periods are provided below). The middle two Pinnacles each last nine years. The last Pinnacle will stay with you for the remainder of your life.

The Pinnacles are very important. The transition from one Pinnacle to the next is always strongly felt. Your Pinnacles reveal the general conditions and events you will experience during the period. The Pinnacle describes the atmosphere, or the essential challenge you will be faced with.

You can prepare yourself for the times ahead by knowing your approaching Pinnacle number.

The transition from one Pinnacle to the next is usually prepared for approximately 2 years in advance. The latter part of that two year period is particularly strong. Oprah, you will likely make some life-altering decisions -- marriage, job or career change, or any number of major changes in your character.

Perhaps the most strongly felt change -- internally as well as externally -- is the transition from the first to the second Pinnacle. This change usually takes place in your late 20s or early 30s -- the exact date depends on your Life Path number and is provided below. You begin to feel the impact of this coming change approximately two years prior. This is usually a difficult transition, but once crossed usually provides a clear sense of direction in one's life. It also gives you a much firmer sense of your identity. It is a gateway to maturity.

Your First Pinnacle (from birth until age 32) is 3

This is a highly creative period. Oprah, your self-expression is greatly enhanced. Your creative and artistic talents will peak. You should do everything possible to refine these abilities and make the most of them. Many under the 3 Pinnacle are drawn to writing, the theater, singing, and dance. Your chances of

success are also heightened. Hard work in any artistic field that one has a talent for can result in much reward.

This is also a highly social and emotional time. You attract friends and admirers with your charm and gregarious nature.

You have the ability to inspire and motivate people. Your upbeat energy causes people to want to work with and for you.

This is a lucky period, as well. You can overcome problems with considerably less effort than in the past.

All of this can lead to self-indulgence and lack of productivity. Life is a little easier, which can make you less vigilant. You need focus and discipline. Under the influence of this Pinnacle, hard work is the key and the challenge to making the most of your opportunities.

Be careful of impulsive behavior or doing things on a lark. You must know your limits during this period. Be careful of your money; balance your accounts. Guard against disorderly thinking and behavior. Otherwise, you may do things you regret or simply squander away so many opportunities.

Children born under this Pinnacle must be disciplined and kept from being spoiled. An early education in the arts will inspire the child to make the most of his or her artistic talents.

Your Second Pinnacle (from age 33 until age 41) is 3

(This Pinnacle is the same as the First, as described above.)

Your Third Pinnacle (from age 42 until age 50) is 6

Under this Pinnacle you will be very involved with family, friends, and your community. Oprah, you will face an increase in responsibilities and duties, but you have a greatly enhanced sense of balance and perspective that allows you to handle emotional issues well.

Your family demands much of your attention. Matters involving spouse and children require much security, love, and sacrifice. You are the centerpiece of your family, the one people come to for solace and understanding. You may feel an increased burden, as you carry the cares of many. You will experience a deep sense of being needed.

This Pinnacle is full of love, closeness, and warmth, but you must rise to the challenges that close relationships bring. Oprah, you must settle and bring harmony to personal conflicts between others. You are often the only one with perspective in a conflict. It is as if you are the keeper of justice, bringing understanding and compromise to situations that are polarized.

Under the influences of this Pinnacle -- especially at its outset -- people are often married or start families. Children are born, in-laws come into your life. You

are the nucleus of a little world.

You must maintain your dignity. This is a period that makes it easier to sacrifice, but you can overdo it, becoming a doormat for others to step on simply to maintain a degree of peace. Know your limits and maintain healthy relationships.

This is a fine period for growth in business and financial matters. You attract people with resources who can help to further your personal goals. Moreover, you are balanced in your approach to business affairs. This can bring many rewards.

Oprah, your heightened sense of harmony and your genuine compassion makes you an excellent counselor and healer, especially if you already have native talent in any of these areas.

Personal health matters can also surface, causing you to reflect on diet, exercise, and other health habits.

Your desire to help others is also increased. But this can lead you to poke yourself into situations where you do not belong, or delve too deeply into other people's personal affairs. Be careful not to meddle or interfere.

The 6 Pinnacle is a time of progress and growth as a full human being. You are capable of developing yourself in many different directions -- as a loving mate and parent; a sound businessperson; and as a pillar of your community. The time requires the balance you possess, since you can easily stretch yourself in too many directions and ultimately feel burned out by the demands in your milieu.

Your Fourth Pinnacle (from age 51) is 2

Oprah, this Pinnacle causes you to be extremely sensitive, intuitive, and full of insight. It is a period that requires patience and the development of inner awareness. You are being asked to use gentle power and persuasion to obtain your desired goals. Direct approaches, forceful displays, and confrontations will likely work against you. You will find the most satisfactory roles to be supportive. You are now a gifted advisor, a diplomat and a peacemaker. Your insight into other people's feelings and motivations is so acute that you seem to be able to see right to the core of things. But rather than use these gifts to create differences between people, you must use them to create peace, to mend rifts, to harmonize.

Oprah, your challenge during this period is to bring balance to duality in every form, and at every level. You will recognize the value of both sides of an argument and be able to see the middle ground where peace can be made. You can create the atmosphere in which both sides can compromise and work harmoniously. You are the glue that keeps people and important projects together.

The weaknesses you must face and overcome are too much sensitivity. You may be tempted to indulge your feelings, to be too easily hurt. You may lack self-confidence, especially at the beginning of the Pinnacle when your heightened sensitivity and awareness make you conscious of your own shortcomings. You may succumb to fear and hesitation. All of this can lead to emotional turmoil.

Oprah, you need courage and the willingness to reach out for support.

Your sensitivity will make you acutely appreciative of beauty and harmonious environments. At the same time, you need beauty and harmony around you.

You have an increased appetite for music and the arts in general. You may find that your musical talents coming to the surface. If you do not already play an instrument, give in to any inclination to take one up.

A person in a 2 Pinnacle who uses his or her sensitivity, understanding, and insight is very appreciated by others. You may not fully realize just how much others appreciate and respect you. This may cause you to feel undervalued, or that you are not getting the recognition you deserve.

You appear shy and humble, particularly if this is your first Pinnacle, but inside there is much pride that must be kept in check.

You may want to hide from the tumult of life, or from difficult situations. This may tempt you to color the facts in order to protect harmony. Be careful of this tendency, because it often backfires.

You have an eye for precision and detail. Your taste in all aspects of life is enhanced and you possess a certain class that others admire. If you make the most of these qualities, your appearance is considerably improved, making you both attractive and graceful.

The world depends on those who maintain harmony and balance.

CYCLES

Like most stories, there are three great divisions of our lives: the First, or opening period, finds us groping to find our true nature; at the same time, we are trying to cope with the powerful forces that are present in our environment, our parents and the socio-economic conditions of our family, for example. The Second Cycle, or middle period of our lives, brings about the slow emergence of our individual and creative talents. The initial part of this cycle -- the early and mid 30s -- represents a struggle to find our place in the world, while the late 30s, 40s, and early 50s, sees us with a greater degree of self-mastery and influence over the environment. The Third, or final Cycle, can represent a flowering of our inner being, such that our true nature has finally come to fruition. It is during this period that one has the greatest degree of self-expression and power.

Your First Cycle (from birth until age 32) is 1

This is a period of much intensity. It requires fortitude, courage, and flexibility. Oprah, you will be forced to use every one of your talents in order to achieve your own personal individuality and independence. This is a period of integration and a focusing on your life's dream. Your grip on your direction will be tested, but somehow the resources are available to overcome any obstacle and emerge from this time all the stronger. It is a time requiring independence, resilience, and strength, but these characteristics become integral part of your personality. This cycle marks a time of progress.

Your Second Cycle (from age 33 until age 59) is 11

A time of spiritual expansion, even illumination. Oprah, you will grow in understanding and wisdom. It is not a time to pursue material goals for themselves, but to seek the higher human ideals. There is a temptation, however, to chase after the infinite without grounding yourself in the practical. That must be avoided. Focus your studies and deepen your understanding to the point that your knowledge can be conveyed to others in simple and acceptable terms. You possess a message or an ability that should be shared with your community, but only through deep personal transformation and improvement of self-expression can this gift be given. The more willing you are to work on yourself, the more good you will do for the world at large. For those who accept and embrace this path, there is much reward, including ample financial support and even fame. There is also the deeper satisfaction of knowing that one has made a contribution to the advancement of others.

Your Third and last Cycle (from age 60) is 1

(This Cycle is the same as the First, as described above.)

TRANSITS

The Transits are the individual letters of your name that combine to form the Essence, which is the number that reveals a great deal about your year ahead. Your name can be seen as a piece of music that vibrates in time. Each note, or letter, has a specific duration and influence over the course of your life. Oprah, your life, therefore, can be seen as a musical score, with the individual letters making specific contributions at given points, just as notes in a musical piece are played at specific points to give a piece of music its rhythm, character, and nuance.

The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.

THE PHYSICAL TRANSIT

Your Physical Transit for age 61 is H

Oprah, your mind will be very active during this year. Your thoughts are surprisingly unconventional. You come up with original, even inventive ideas. This is an ambitious time and self-promotion will pay off. Advancement and success are possible. You have self-discipline and a clear understanding of what you want. Emotionally you are a little vulnerable and in need of love and attention.

Your Physical Transit for age 62 is O

This is a time of strong emotional experiences, which can affect your health if you let it. Oprah, you may find yourself worrying unduly. There is much responsibility placed on your shoulders, with sensitive emotional issues involved. You will find yourself more interested in religious and physical studies. Your leadership abilities are enhanced during this time.

Your Physical Transit for age 63 is O

(The Physical Transit for age 63 is the same as that for age 62, as described above.)

THE MENTAL TRANSIT

Your Mental Transit for age 61 is G

This is a time of contradicting forces. There is a promise of financial gain, yet there is also a warning not to seek reward for yourself. The G is both mental and spiritual. There can be success and happiness, if it is not sought after. You will feel alone and lonely many times during this year and will spend time in meditation and contemplation. There is also a strong tendency to spend much time brooding. Oprah, your self-expression is high but you tend to stay on the surface. You act secretive and self-contained. You will be more impulsive than usual particularly in emotional matters.

Your Mental Transit for age 62 is G

(The Mental Transit for age 62 is the same as that for age 61, as described above.)

Your Mental Transit for age 63 is G

(The Mental Transit for age 63 is the same as that for age 61, as described above.)

THE SPIRITUAL TRANSIT

Your Spiritual Transit for age 61 is N

Oprah, you will have opportunities to expand your horizons. There will be adventurous experiences and travel. A change of residence is very possible. This is a dynamic time with many new activities. You will make some important social contacts. You search for love and fulfillment. Sacrifice, adaptability and flexibility are called for. You will also be concerned with finances and may worry too much about these matters. You tend to be forgetful during this time. You will also feel more sensual than usual. Physical exercise is important during this period.

Your Spiritual Transit for age 62 is N

(The Spritual Transit for age 62 is the same as that for age 61, as described above.)

Your Spiritual Transit for age 63 is N

(The Spritual Transit for age 63 is the same as that for age 61, as described above.)

ESSENCE

The Essence Number and the Personal Year Number are the two essential indicators of the forces that will influence your life during the course of any year. While the Personal Year runs from January to January, the Essence is most strongly felt from birthday to birthday. For example, if your essence number is 8 for the year 1988, you would begin to feel the influence of that 8 most powerfully after your 1988 birthday. The influence would begin to wane during 1989 and would finally end at your birthday of 1989.

The Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year, that is, which types of behavior will be supported by your milieu, and which ones will be less effective.

Your Essence at the age of 61 is 20/2

Oprah, you must learn to cooperate with others in order to accomplish some greater good. This is not a time to lead, but to follow. You must be content to draw your guidance from the environment and those in positions of greater power. You must maintain your own center, but avoid arrogance, rigidity, and stubbornness. The more you insist on your own priorities, the more resistance will you meet.

This is a period of partnerships. Your success depends on your ability to work with others.

Oprah, you will be extremely sensitive and intuitive. Your powers of understanding will be at an all-time high. These abilities will give you the insight you need to perceive subtle changes in people and situations. You will therefore be better able to adapt to changing circumstances.

Your intuition makes it possible to accomplish great tasks, even though you may not be in a leadership role. The reason: you instinctively know how to react to change, and to gently advise people to go in the right directions.

Oprah, your role as an advisor or confidant is the key to your success during this period. You are learning the lesson of interdependence. You will also come to know how valuable you can be in a more passive role. It is a period to serve, to be the helper, the assistant. Your ability and willingness to work with others will be tested and rewarded.

It is essential that you listen. Be shrewd in your evaluations of others and of situations, but do not enforce your judgments directly on people.

Your sensitivity will make it necessary for you to seek out harmonious and peaceful environments. Be careful of the health of your nervous system. You can become anxious more easily during this period. Therefore, seek out people you trust; share your deeper feelings; allow yourself to be supported by friends and loved ones. Keep your spirits high and avoid depression.

Music plays an important role during this period. Any musical talent you possess will be enhanced. You even possess a certain physical grace that can emerge in dancing, athletics, or simply walking down the street.

In your passive, centered way, you will be charismatic and attractive to others. People will sense your fine intuition and sensitivity and seek you out for private talks. Be loyal to friends and partners.

Remain strong inwardly and flexible without. In this way you will avoid the obvious difficulties and remain on your path to success.

This is a period of accomplishment through gentle persuasion.

Your Essence at the age of 62 is 18/9

This is a period during which your ideals will be tested and forged anew. Oprah, you will be broadened in ways that you would never have dreamed possible. You will likely experience a dramatic psychological and spiritual expansion. Old relationships that no longer have a place in your life will be let go of. Even old habits or characteristics that you believed were fundamental to your identity seem to evaporate.

There is a need to forgive those in your past and let them get on with their lives, as you must with yours. Hanging on to negative attachments, either out of anger or a sense that justice has not yet been done, will bring you much misery and, if the courts are involved, protracted lawsuits.

You now have the ability to reach out to the masses. This is a time requiring much self-sacrifice and service to others. You are deeply affected by the pain and sufferings of others, and will feel a need to change your milieu or society for the better.

Those in the arts, especially actors, writers, and other performers, will see an enhancement of their talents and the opening of many new opportunities for advancement.

Oprah, your focus is outward in a big way. Teach, perform, and advance society in your own way. Dedicate yourself to a higher cause. These are the areas that will meet with much success.

Conversely, selfishness, negativity, and pettiness will blow up in your face. The time demands a broad view of life. You are now the visionary, who must see the greater trends in humanity.

Out of this will come much compassion for all. This is the lesson of the period: That as you work for the greater good of society, you will be personally rewarded, so much so that your cup will runneth over.

Your Essence at the age of 63 is 18/9

(The Essence for age 63 is the same as that for age 62, as described above.)

PERSONAL YEARS

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. Oprah, your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or

culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Below is a description of your current Personal Year. It indicates where you are on the 9 year Epicycle.

The Personal Years form the building steps that mark your progress through life.

Your Personal Year for 2015 is 2

Oprah, this is a year to carefully protect and nurture your plans. You will be like a mother watching over her children, conscious of every threat, real or imagined.

You need tact and cooperation to keep yourself moving forward. There will likely be confrontations with others, requiring a subtle and gentle approach. You will have to stay focused on your goals, yet use intelligent persuasion. Being forceful may work against you; compromises will work in your favor.

You will be unusually sensitive and may wonder at times what happened to the drive and momentum you felt last year. This year requires something else from you now -- a delicate sense of balance and a willingness to go around obstacles, without losing sight of your goal.

You may experience some emotional depressions and frustrations. The year is marked by struggle, but there are many opportunities to advance your plans.

This is a year of slow growth, requiring patience.

Be discriminating in your associations and secretive about your plans. Don't talk too much about your ideas; be a bit secretive; guard yourself and your ideas. You are somewhat vulnerable this year.

This is a good year to improve yourself through reading and research. Oprah, your growing awareness of the less visible and less obvious aspects of life will make you much stronger and better prepared for the future.

You must be wise in all your relationships and associations this year. You are far more capable of establishing close, even life long relationships this year. Because sensitivity and openness are heightened, many people find their "soul mate" in a two year.

May is the pivotal month in the year. You are extremely intuitive and sensitive. You are also self-reflecting and better able to influence your peers and situation through spiritual awareness. July brings a culmination of plans and a distinct step forward. August sees things become more concrete and brings a new beginning. September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

Your Personal Year for 2016 is 3

This is a year of expansion and personal growth, Oprah. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events.

More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus.

It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

Oprah, you may travel more than usual, which in all likelihood will be filled with exciting people and pleasure.

Control this year's tendencies towards glamour and extravagance, yet allow your self more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

Love is in the air.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

Your Personal Year for 2017 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals.

Oprah, your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel.

You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility.

You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long.

Fulfill your obligations and do not be afraid to spend some of that hard earned

money. Selling and trading during this year usually is quite successful.

This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment.

January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. Oprah, you may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

PERSONAL MONTHS

Your Personal Month for January 2015 is 3

Oprah, January is a 3 Personal Month in a 2 Personal Year. Hence, the month brings you optimism and energy. The drive and enthusiasm that emerged during the second half of last year is still with you, along with a certain caution born of inner change and the emotional ups and downs that arose during the previous 18 months.

You're aware of your need for support, cooperation, and advice. And this month, you find yourself establishing closer ties and better communication among those with whom you live and work.

Oprah, you are also reflective and relaxed. Take time to play and laugh. Reach out to friends and loved ones. Communicate your ideas freely. You and your plans will be supported, which will heighten your optimism about the future.

Romance is an important part of this months' experiences, and the chances are good that you may meet someone special.

Your Personal Month for February 2015 is 4

Oprah, February is a 4 Personal Month in a 2 Personal Year. You will realize early this month that progress depends upon your willingness to work diligently and remain focused on details.

You feel capable and confident, but as your effort increases -- and the hours pile up -- you may become frustrated with the slow response of others. Keep your nose to the grindstone, and if necessary put in overtime. Don't try to dodge the bullet; bite down on it and keep going.

Meanwhile, be willing to cooperate, listen to others, and tactfully communicate your convictions, as well as your doubts.

This is an excellent month to improve your financial position, particularly through better management. Through your consistent and patient effort, a raise or profitable business deal is also in the cards.

Relationships tend to be a little shaky for most of this month. Oprah, you may be somewhat irritable and lack patience as a result of stress and emotional turmoil in your work-environment.

Maintaining a well-ordered environment and avoiding procrastination will help you bypass much emotional stress.

Your Personal Month for March 2015 is 5

Oprah, March is a 5 Personal Month in a 2 Personal Year. It brings some relief from last months' frustrating efforts to persuade others and to keep track of the details.

This month will be hectic with some unexpected changes. Don't try to plan everything down to its final detail. Instead, be flexible and adapt to whatever comes your way.

The expression "being in the flow", is instructive for most of this month and you will be astonished by coincidences in which timing is crucial. Don't make financially risky decisions, especially involving business. Checking and double-check all your facts before going forward with your plans. Be skeptical! However, your ability to promote yourself, your plans, or a product is enhanced.

There will be many social events and opportunities. Take advantage of them. The chances of meeting new people who can support you in your endeavors are especially good.

A letter or phone call from someone you haven't heard from in a long time may surprise you.

It's high noon for romance, but be warned. You may not be as discriminating and cautious as you should be. Allow your rational mind to take a critical look at flattering admirer(s).

Your Personal Month for April 2015 is 6

Oprah, April is a 6 Personal Month in a 2 Personal Year. Matters of the heart come to the foreground.

Romance is now at the top of your list of opportunities.

On the other hand, the month brings instability to outdated relationships, and some may end. You become aware of the need to let go of certain people, although final good-byes may not occur until July or early August of this year.

Oprah, your family and friends need more attention and you will likely find yourself playing the roles of mediator, comforter, and counselor. You'll be the one

to offer the proverbial shoulder to cry on this month. A younger person, particularly, needs your love and attention.

Your career is guided favorably by the Force. There is an increase in your workload and responsibilities due to a promotion -- or one that may be in the offing. The change may well bring financial rewards.

This is a good time for finances, particularly those related to real-estate.

Your Personal Month for May 2015 is 7

Oprah, May is a 7 Personal Month in a 2 Personal Year. The combination leads to powerful self-discoveries and intuitive perceptions. It is a highly spiritual time, causing you to withdraw from the hustle and bustle of daily life. Your focus is inward. You find yourself contemplating the mystery of your own existence, your purpose in life, and your direction.

You find yourself taking time off to read, meditate. Your interests are spiritual, not worldly. It's an excellent time to take a vacation, as long as you avoid group-activities.

Social demands will make you irritable and out of sorts. Be with yourself or enjoy meaningful discussions with someone close to you. In this way, you may deepen your marriage or romantic relationship.

It is a time for wisdom and insights, even premonitions and revelations that have little to do with intellectual effort, but are the result of heightened awareness and a free-flowing channel between your sub-conscious and your conscious.

Be particularly alert to your dreams and the direction and insight they offer.

Your Personal Month for June 2015 is 8

Oprah, June is an 8 Personal Month in a 2 Personal Year. Now the time is ripe to reach out and receive some of the fruits of your labors. It is a harvesting time, but the rewards are still dependent upon good relations with co-workers. Ask for a promotion, or a raise. Let those in the right positions know that you value the recognition and respect they bestow upon you.

You are in the right state of mind to deal with some tricky personality-clashes; solve communication problems; turn enemies into friends; and in many ways manipulate events through gentle persuasion. The numbers 2 and 8 allow you to handle sensitive issues with tact and diplomacy, as well as with authority and decisiveness. It is a good time for negotiations in every area of your life, personal as well as professional.

Romance is very favorable, but can be spoiled by money issues. On the other hand, domestic affairs can be troublesome and can leave you feeling powerless unless you are willing to cooperate.

Leave such issues alone for now. The domestic scene is better handled next month, when all dealings with relatives are easier and smoother.

Your Personal Month for July 2015 is 9

Oprah, July is a 9 Personal Month in a 2 Personal Year and is both emotional and demanding. This is a month to take care of loose ends. Relationships that have been rocky of late will reach critical mass, to be worked out and deepened, or separated entirely. Actually, this is a testing period for relationships in all areas of your life. The 9 and the 2 combination -- both diplomatic, sensitive, and service oriented -- advises that you avoid confrontations. Work with issues quietly and patiently.

At the same time, it is an excellent period to look inward and acknowledge your own needs and desires. Let go of all that you have outgrown, including people, situations, material objects -- anything that you have out-grown. This month is your opportunity to avoid becoming an emotional and/or material packrat. This is the time to empty your cup in order to make room for new gifts coming your way.

This is a transition period. Oprah, you will likely experience deep emotions, even nostalgia and melancholy. At times, you may feel exhausted. Yet, such feelings are not altogether unpleasant. There is a cleansing and healing taking place at a very deep and personal level.

You are not entirely conscious of all that is happening, and consequently you may not be able to express your feelings to others. You may sense that you do not fully understand yourself. Give it time and much will be revealed to you.

An opportunity to be involved in a good cause may present itself and your sacrifice will actually help you achieve stability and inner strength.

This is a good time financially. Some payment may be received for something you'd forgotten, or for reasons you do not expect.

This is a month that requires balance: you are feeling emotional yourself, but at the same time you must also focus on the needs of others. If you indulge too much in your own feelings, especially self-pity, you will suffer more self-doubt than if you remain balanced between your own needs and service to others.

Your Personal Month for August 2015 is 1

Oprah, August is a 1 Personal Month in a 2 Personal Year. It brings new energy and a kind of restoration of life. There is a feeling of rebirth, excitement, a brightness in the air that wipes away the last residues of last month's bouts of gloominess and self-doubt. You want a change, a challenge, some goal toward which you can direct your enthusiasm.

Well, that's what this month will bring. A new project, career change, something new. Keep in mind, however, that you are planting seeds now that

must be nurtured and cultivated over the next year or so. In other words, you must remain focused on this dream to nurture it properly over time.

Don't take chances financially. Your optimism may make you impulsive and vulnerable. Remain cautious and research all propositions brought to you.

Oprah, you likely will be introduced to new people and, if you are not already involved, one of them may evolve into a passionate romance. Here, also, the careful approach can save some future heartache. The child in you is very much alive, trusting and believing that everything is what it seems.

While this is a very promising time for romance, keep in mind that a certain amount of rational examination is necessary to protect yourself. Wait until the end of next month before you surrender your heart to the person you are attracted to.

Your Personal Month for September 2015 is 2

Oprah, September is a 2 Personal Month in a 2 Personal Year. The number 11 -- referred to in numerology as a Master number, and therefore highly charged, sensitive and intuitive -- is also prominent in your life now. You are extremely perceptive.

Dreams are full of insight, and seemingly irrational and creative ideas should be examined seriously. Your most powerful asset right now is your inner antenna that is picking up vibrations that escape others.

Your relationship with co-workers is fragile, but this is due largely to your enhanced sensitivity. Don't take your emotions too serious. Increased sensitivity magnifies and exaggerates emotions. If you fixate too much on them, you'll do yourself a disservice. Overlook slights and let things pass without retort. People will come around.

Romance is still strong, but you must remain realistic. Last months' excitement and infatuation has given rise to self-examination. As with co-workers, long-term relationships and friendships are fragile right now. Again, be skeptical of your emotions; it's quite possible that you are making mountains out of mole hills.

Cooperation, tact, patience, tolerance, and forgiveness are the key-words to make this month pleasant and successful.

Your Personal Month for October 2015 is 3

Oprah, October is a 3 Personal Month in a 2 Personal Year, and you need a break. If possible, take some time off to recharge your batteries. You need sunshine, relaxation, fun, and laughter with friends. The only career aspects that are favorably highlighted are those related to creativity, and inspiring and motivating those with whom you work. It's a good time to express the thoughts

and ideas that you've been thinking about for the past several months. You can make a favorable impression on superiors, even with ideas that are a little daring.

Avoid stress and working under pressure now. The next five months give you the strength to survive and even prosper under pressure, but avoid stressful situations this month.

Postpone important financial decisions if possible, unless they have to do with "fun projects", such as travel, exercise equipment, creative endeavors, and the like. A modest amount of gambling can be healthy and has a better chance of paying off this month than most other months.

Romance is light and playful. Again, postpone important decisions in the area of romance.

Your Personal Month for November 2015 is 4

Oprah, November is a 4 Personal Month in a 2 Personal Year. It's definitely time to get down to business, to focus on work, and finish anything that's been left undone. Pay attention to the details; don't procrastinate; don't cut corners. Get the picture?

You are laying a foundation for the future, proving to yourself and others that you are worthy of the responsibilities and challenges you have taken on.

Your energy is strong and focused. You can concentrate even when work becomes routine and boring. You are in a crucial stage in your life, but you've got the energy and a take-no-prisoners attitude that will lead you to success.

The best way to balance such determination is to get in touch with nature: take a walk in the woods; sit at the edge of the lake; feel the earth and your connection with it.

If you have recently become involved in a romance, this month will bring commitment and stability to the relationship.

Your Personal Month for December 2015 is 5

Oprah, December is a 5 Personal Month in a 2 Personal Year and brings changes and restlessness. You feel a need to be with others, to be social, to laugh and talk and enjoy yourself.

You receive opportunities to travel and will meet a new and exciting person on a trip away from home. This person inspires and motivates you to try something new, to get off the beaten path and take a chance.

This is a month that could bring quite a few surprises, most of which invigorate you. It is a dynamic time that brings information and knowledge from unexpected sources. You want change. You are ready to try a new direction, which causes you to see your career with new eyes. You are in an adventurous mode and willing to take a risk.

This month requires courage and flexibility. There are new opportunities awaiting you and it is up to you to prevent them from slipping by.

Oprah, your love relationship is in a vulnerable state and some suppressed anxieties need to be released. You are somewhat impulsive and may need to force yourself to slow down. You experience a bit of self-indulgence. There is a need for self-discipline.

Your Personal Month for January 2016 is 4

Oprah, January is a 4 Personal Month in a 3 Personal Year and offers opportunities for progress in your career. You are inspiring and motivating to yourself and others and know how to express your ideas. Your creativity is enhanced. You find original solutions and manage to implement them. Your co-workers and superiors are impressed. You are optimistic and light-hearted this month which further enhances your work situation.

However, you will have a tendency to be impulsive and may find yourself with your foot in your mouth. Make sure you have the information to back up any claims. You also may have a tendency to procrastinate, which can spoil opportunities and damage your career.

This is a month to be on your toes and take full advantage of a favorable combination of cycles. If you have considered remodeling or redecorating your house, or starting a gardening project, now is the time to get started.

Marriage or a romantic relationship takes on more depth.

Your Personal Month for February 2016 is 5

Oprah, February is a 5 Personal Month in a 3 Personal Year. It will bring changes, excitement, and perhaps some upheaval. You may move, travel, or go on an unexpected trip.

Carefully prepared plans confront the unexpected: events and people you had not expected. Those who are flexible and not afraid of changes will enjoy this month, but those who rigidly try to stick to expectations and refuse to adapt will experience a difficult time in which almost nothing works out, no matter how hard you try.

This is a month to allow the forces of nature to guide your ship. Despite these disruptions, do not give in to impulsiveness or irresponsibility. Make the plans you can; adhere to them as well as possible, and be flexible.

Love is exciting, adventurous, and playful. You uplift your partner and reveal your deeper self. Hidden thoughts and desires that you have kept hidden during the past two years come freely to the surface. Oprah, you are open and childlike and for that reason very attractive to the opposite sex.

A word of caution for those who are uncomfortable with this kind of openness:

Do not allow fear to turn this wonderful urge to share your thoughts and feelings into a superficial act.

If you have a tendency to self-indulgence, this month's cycles are dangerous. Be cautious and control your appetite for whatever excesses tempt you.

Your Personal Month for March 2016 is 6

Oprah, March is a 6 Personal Month in a 3 Personal Year. It brings family affairs and issues involving relationships to center stage. You may be asked to sacrifice some of your time and energy to help others. A parent or child may need more care and attention than usual. Answer the call and you will be rewarded with a wonderful experience of love and closeness.

Many people in the 3 Personal Rhythm Cycle will make a deep commitment of love, or even get married this month. At the same time, separation and divorce are also possible, since the theme of this month is commitment to your true feelings. Confrontations are unavoidable in all troubled relationships. While these trends may be difficult and painful, the forces are working at clarifying your relationships.

Your work situation will be rather demanding as more responsibility is transferred to you. However, the reward is right around the corner. (May and June will bring the pay-off.)

This month may be good financially, due to an earlier investment or from payments arriving from previously done work.

Your Personal Month for April 2016 is 7

Oprah, April is a 7 Personal Month in a 3 Personal Year. The month represents a pause for self-evaluation. It is a time of light and shadow, a month of contrasting moods. You may alternate between light-hearted optimism and periods of doubt and even depression. The time requires you to look within.

Meditate and contemplate your life. Such self-reflection will awaken deep feelings of gratitude for all the blessings bestowed upon you, including the greatest gift of all: your life itself.

During the first half of the month, you may feel the inner you begin to stir. Your dreams may be intense, graphic, and highly revealing. They are a source of insight if you care to listen. There is a sub-conscious attempt to communicate, not with others but with your own deeper self.

Let career, finances, and romance all take a back seat during this important spiritual time. You will be quite safe.

If possible, take some time off. At the very least, walk in the woods, sit at a

lake, or otherwise bring yourself in close contact with nature. Keep a journal and write down your dreams, insights, and revelations. They will offer you insight into your life's direction.

Your Personal Month for May 2016 is 8

Oprah, May is an 8 Personal Month in Oprah, May is an 8 Personal Month in a 3 Personal Year. It brings financial rewards, as well as respect and recognition. This, of course, is proportional to the effort you have put out during the past year.

This is a month to focus on career, to be a visionary, and not to hold back when it comes to showing the world how capable you are.

For those who are in business, this is a good time to finalize deals and sign contracts. Investments are generally favorable, as are requests for loans, mortgages, or other methods of financial support. In all worldly matters, this is a time to reach out, to go for your goals. Do not be afraid to take a risk.

As far as matters of the heart are concerned, this is a time to take yourself and your feelings with a grain of salt.

Oprah, you are in a generous mode and feel blessed with so many good friends and such a wonderful lover, but when it comes to commitment, you may want to wait a couple of months when you are more realistic in these matters.

For those who are not involved in a relationship, a "co-incidental" meeting with a person from the past brings an exciting romance.

Your Personal Month for June 2016 is 9

Oprah, June is a 9 Personal Month in a 3 Personal Year and brings a bit of moodiness and instability. You have completed many tasks and enjoyed many rewards during the first half of the year, and now you may be feeling a bit empty -- not unlike the fatigue one has the day after a party. It may be a minor case of burn-out, but for reasons you cannot really put your finger on. It is a time to let go of many old things and prepare for the new.

You have had a number of good ideas during the first part of the year. You have been motivated and experienced much excitement, but not all of your ideas proved realistic. Now reality forces you to take a second look at your projects and goals in a new light. It's a weeding out period.

The positive side of the coin is that, by the end of this month, you'll have a clearer perspective on your direction and projects. You'll know where to place your energy during the second half of the year. While you may find yourself going through some ups and downs during the course of this month, you also feel the first trembling of new excitement.

This month also brings a concluding chapter to one or more relationships, which may cause additional emotional turmoil. However, you are going through a

time of natural selection; what is worth holding on to will stay. The rest will go.

Your Personal Month for July 2016 is 1

Oprah, July is a 1 Personal Month in a 3 Personal Year. It is a time of dynamism, courage, and eagerness to begin the new. Last month's blues are gone and you feel you are on top of the world. You are more original and creative than at any time of this already creative year.

Many of those in a 3 Personal Rhythm Cycle may finally break out of unrewarding patterns. Some may even make career changes, or start their own businesses. This is not a time to be squeamish in any area of your life -- be it money, career or romance. You may experience an urge to write, paint, or express yourself in some other creative way. By all means, take on the challenge.

If you are not already involved, you may well meet someone special, but the relationship, while intense and passionate, may not be a lasting one.

This is a month that will also bring opportunities to mingle with new acquaintances at social events. You will be outgoing and witty. These are great opportunities to make lasting contacts which will help your career and other endeavors.

A warning to the easily excitable: don't brag about your plans and accomplishments. The effect may backfire.

Your Personal Month for August 2016 is 2

Oprah, August is a 2 Personal Month in a 3 Personal Year. It requires a sensitive and cooperative attitude at work and in all other areas. You are upbeat and optimistic during the early part of this month but an anticipated reward or recognition may go to someone else, much to your dismay.

Your challenge is to set the record straight by using your diplomatic skills. Do not allow anger to alienate you from those involved. Otherwise, relationships go favorably this month.

You are in a position to smooth out some long-standing disagreements between people close to you. Often, these disagreements do not involve you directly. You have the opportunity to serve as a peacemaker.

Romance is also strongly represented and highly favorable. Oprah, your feelings are strong and your ability to communicate these feelings is enhanced. A good month to spend some extra time with your lover.

Your Personal Month for September 2016 is 3

Oprah, September is a 3 Personal Month in a 3 Personal Year for you and your

creativity is at an all-time high. You find solutions and discover new ways to improve old methods.

You are communicative and express yourself well. You have a strong urge to write to old friends you haven't seen in some time. This need to re-establish relationships with people may even surprise you.

At work, you discover that it is easy to reach others and influence the way they feel about themselves and their work.

You uplift them and are rewarded with gratitude and support.

This is a time to be social, easy-going, and optimistic.

Your Personal Month for October 2016 is 4

Oprah, October is a 4 Personal Month in a 3 Personal Year. It requires you to be practical and disciplined in all matters. It brings opportunity as well as limitations.

Career is a high priority and you will find yourself putting in overtime. Details will need to be taken care of. There is very little room for slacking, and everyone may be making demands of you. You may feel frustrated and need to blow off steam.

On the other hand, there is also much opportunity implicit in these demands and you will be pleasantly surprised with the rewards that come your way late in the month. You'll have to respond quickly. You may feel that you are not ready to take on the new challenge that comes with this opportunity, but if you overcome this temporary lack of confidence you will be well rewarded.

This month is demanding in domestic affairs, as well.

There is an ongoing need to watch finances carefully, make decisions concerning your budget, and plan for the future. If you have not been keeping a close eye on your checkbook, Oprah, this month will force you to balance your account and make up for haphazard expenditures of the past.

There's not a whole lot of time for romance this month, but when you can find the time, your partner's love brings perspective and rejuvenation.

Your Personal Month for November 2016 is 5

November is your second 5 Personal Month in a 3 Personal Year, and as before it brings change, excitement, and possibly a financial boost. The 5 brings movement -- travel, a change of residence or office, perhaps.

You will receive a letter or phone call from someone close to you whom you haven't heard from in some time.

This month should be light and playful. Try not to take things too seriously. The down-side of this combination (5 and 3) is in the area of relationships. You may have a tendency to misread others, to be a little insensitive and short on tact.

Avoid confrontations in personal matters as well as those related to work. As long as you are upbeat and supportive, friendship and social events are favorable.

As was the case with February of this year, November may also find you in the mood to indulge yourself. Moderation may be hard to maintain, but it's still the best advice.

Your Personal Month for December 2016 is 6

Oprah, December is a 6 Personal Month in a 3 Personal Year. The month stabilizes your work-environment, but requires that you work on your relationships and family affairs. You will be in the unique position to counsel and support someone in your circle of friends and family with immediate and positive result.

It will be one of the most rewarding experiences of this year for you.

A promotion or a raise are possible, as is an increase in your workload.

This month is good for business and financial affairs, particularly for long-term planning and investment. If you are involved in legal affairs, the time is right to surge ahead.

Romance is also favorable. Commitments bring stability. For those who have become involved in a relationship during the course of this year, this is a good month to exchange vows.

This should be a wonderful time for most of those who are in the last stage of this 3 Personal Year. The holidays bring family and friends together, for much love and the rewards of the season.

Your Personal Month for January 2017 is 5

Oprah, January is a 5 Personal Month in a 4 Personal Year. You experience some self-doubt related to your work situation. You may question your direction. This frustration will be in the background for most of the year, but this month particularly feels a little bit out of control. However, hidden forces are guiding you carefully and your best approach is to persevere.

Later this month, or early next month, an opportunity will come your way that represents a step forward in your career.

This month also brings some unexpected changes in other areas of your life; possibly an unexpected trip. Be cautious in all financial affairs.

Oprah, your family members demand a lot of attention and much practical guidance is required from you. They look to you for direction.

Social events are favorable, particularly when they are work-related. You will make a very positive impression on someone who can help you move forward.

If married or involved, maintain harmony and avoid rocking the boat.

Your Personal Month for February 2017 is 6

Oprah, February is a 6 Personal Month in a 4 Personal Year. It brings an increase in responsibility and workload. You receive recognition for your efforts and abilities, and probably a financial increase, as well.

Perhaps even more important is the role friends and family play during the period. Loyalty and a willingness to sacrifice time and energy to your loved ones are needed.

You, in turn, receive comfort and satisfaction from their obvious love for you. It is a time of love, warmth, and a strengthening of the bonds that form the foundation of your life. It is also a good time to start domestic projects, such as minor remodeling and home repair.

If you are not married and are not involved in a relationship, you may meet someone who catches your interest. In this case, the relationship will develop slowly but will endure. Oprah, your focus should be on being dependable and active.

There is no room for procrastination. Your health improves during this time.

Your Personal Month for March 2017 is 7

Oprah, March is a 7 Personal Month in a 4 Personal Year and should bring some significant changes in your outlook. Indeed, the month is filled with the mystery of life.

You are aware that you are developing spiritually. This is not a good time to deny important issues in your life, or be superficial about significant matters. Your dreams are vivid and if you take some time immediately after awakening to contemplate their meaning, you have the potential to gain some insights that uplifts you and raises your confidence in your life's direction.

You are mentally sharp and creative. You solve problems and gain insight into things that have floated in the background of your consciousness for some time.

It is a period of hard work -- possibly overtime -- juxtaposed with much soul-searching and the need for quiet contemplation.

You may be offered an opportunity to become involved in a new endeavor. Be careful with anything that promises a fast return. This year, long-term projects are far more favorable than get-rich-quick-schemes, or short-term gambles.

Your need for peace and quiet during this month may make your friends and family members wonder whether you have some problem that you are not willing to share.

Your Personal Month for April 2017 is 8

Oprah, April is an 8 Personal Month in a 4 Personal Year. It promises to be rewarding financially as well as in other areas of life. There is a catch: It is

essential to take care of details, to be reliable, and to keep things organized. If you allow yourself to get sloppy in any of these areas, the results could be disastrous. Still, the combination of numbers

(8 and 4) gives you ample support in all efforts at organization and management.

Respect, recognition, financial reward come to those who are careful. Financial problems and struggle (some may even experience bankruptcy) come to those who are careless. The more you stay clear and focused, the higher the rewards will be.

Relationships that are not related to work are not a high priority this month. Oprah, your attention should be given towards career and finances, as well as to people who play important roles in those areas of your life. The advice for this month is to get up early, put your nose to the grindstone, be organized, and don't hesitate to move yourself to the foreground in your work-environment. If you are due for a raise, ask for it. If a business associate is not fulfilling his/her duties, confront that person. If a payment is due, call it in.

Your Personal Month for May 2017 is 9

Oprah, May is a 9 Personal Month in a 4 Personal Year and may introduce some emotional turmoil due to a relationship gone awry.

A friend or co-worker has let you down. Your trust has been damaged and you realize that this is not just a temporary disappointment but the conclusion of the relationship. While you have reason to be angry, you should avoid self-righteousness.

You may want to remember that you are not without fault. This allows the anger and disappointment to turn into understanding and forgiveness, even if the situation can not be saved.

As a way of healing this type of wound, life may offer you the opportunity to become involved in a good cause. Sacrificing some of your time and energy will prove very rewarding and will deliver some benefits that are not immediately obvious.

This month, your health requires some special attention, particularly your digestive tract. Watch what you eat. Avoid excesses.

It is possible that your career is heading for a change of direction, which may be of some concern for you. Look to next month for some insight into that aspect of your life.

Your Personal Month for June 2017 is 1

Oprah, June is a 1 Personal Month in a 4 Personal Year. It gives you a new

start in some area of your life, perhaps career, or a some new project or endeavor.

This is a month of promise and opportunity. Your energy-level increases, as does your excitement for your new direction.

This period requires courage and flexibility. You should also be more verbal: Express your thoughts and feelings; inspire and motivate others to follow your lead.

You may have a difficult time relaxing or enjoying yourself outside working hours. But it's important that you do just that.

An attraction to someone at work may signal danger to you. Even if you are committed, this attraction will prove quite powerful. Be careful. It may damage your future in many ways, not least of which is your career. Consider postponing any action in this area.

Your Personal Month for July 2017 is 2

Oprah, July is a 2 Personal Month in a 4 Personal Year. At this time, your relationship with the people in your work or business environment is extremely important. You will need to be sensitive to their needs and desires and you will probably be called upon to play the role of mediator in a conflict between some of these people. Your success in that role will directly affect your future.

You may be disturbed by these new challenges because they emerge at a time when your workload is considerable. However, you are more sensitive and better able to discern the true basis of the conflict this month.

Oprah, your enhanced sensitivity also helps you in other areas of your life. Romance is strongly represented but should be kept out of the work environment, which may not be an easy thing to do.

You may have the opportunity to go to a concert or some other musical event and because of your enhanced sensitivity, such events will prove very therapeutic.

Pamper yourself in healthful ways, such as massage, a new exercise and dietary regime, or some time near the ocean, in the mountains, in the forest.

Your Personal Month for August 2017 is 3

Oprah, August is a 3 Personal Month in a 4 Personal Year and is a good time for some relaxation. You will find your workload a little less demanding and may want to take some time off.

You are upbeat and optimistic and able to inspire and uplift others. Do not take matters so seriously this month. It's a time of enhanced creativity and practical application.

You are original in your approach to problem-solving. You receive inspiring

ideas and are able to turn some of them into reality. You impress others with your deep understanding of the issues.

This month also brings spiritual realizations and insights.

You are more aware of the underlying forces that are at play in your life and in the world around you.

The challenge of this month is in overcoming a fear. Oprah, you may find yourself confronting some injustice. It may be necessary to meet that injustice alone. Stand up for yourself!

Be wise, but do not seek to avoid the issues.

Your Personal Month for September 2017 is 4

Oprah, September is a 4 Personal Month in a 4 Personal Year. Six months or a year from now, you will look back at this month and realize that in some way it represented a turning point on your path to success.

However, you may feel frustrated during this month and wonder why everything is moving so slow. In a way, it seems that life has you in a straight-jacket, but in fact you are being protected from yourself. The emphasize is on the irritating and seemingly unnecessarily details. You are forced to deal with things you consider a waste of time. These loose ends can no longer be ignored, but you feel frustrated by the limitations of time and the massive amount of work.

The situation is, in fact, two-sided: One side is effort, the other reward. You are being prepared to take full advantage of a string of opportunities that will begin next month, and will continue all next year. The challenge for you is to keep up. For that reason, you must finish the work in front of you now, to make room for the opportunities to come.

Meanwhile, guard your health, especially against the effects of stress and frustration. Oprah, you would do well to eat healthy foods and in a regular and orderly fashion. Go to bed early; read to widen your view and escape. Do not dwell on the negative. Leave affairs of the heart to themselves for a while, until this intense period passes.

Late this month, you will start to see the light at the end of the tunnel, but looking back you will be grateful and relieved that you took on this process of re-organizing the basics in both, your work and your personal life.

Your Personal Month for October 2017 is 5

Oprah, October is a 5 Personal Month in a 4 Personal Year. It brings opportunity and change. You may be asked to go on a trip related to work or business. This trip is unexpected but will bring very positive results. Another possibility is that you are offered a transfer and promotion. Either way, there will be changes in your environment.

Now is the time to take some chances, to promote your self unabashed, and to reach out to other possible sources of income. If you are in sales or business, this is one of the most promising times of your life. If your work is more service-oriented, you may receive a long-awaited promotion.

Friends and family members are supportive. Romance is exciting. This is a dynamic month in all respects and will wipe away the frustrations of last month. However, a warning is in place: You may have a tendency to make impulsive decisions, to be a little irresponsible, and to put your foot in your mouth. This hectic and dynamic month brings with it some chaos, and restraint is needed in order to maintain some control over the events.

Your Personal Month for November 2017 is 6

Oprah, November is a 6 Personal Month in a 4 Personal Year. It offers the chance to strengthen your foundation in life. You pay close attention to the needs of your family and circle of friends. You are serious and responsible in all matters related to career and receive recognition and respect for that.

Financially, this could be a good month with an unexpected reward coming sometime during the last week. In many ways, this month brings blessings and can be very satisfying.

Your workload is considerable but doesn't burden you as much as it did during other times of this year. You have the energy and feel confident that you are now moving in the right direction. Feelings of insecurity and frustration that loomed so prominently during most of this year are disappearing. Oprah, your friends and family members display strong signs of loyalty and feelings are expressed more freely. One or more of your friends or relatives needs a boost and comes to you for help. You are happy with the opportunity to help out in a practical way as well as with moral support. You play the role of (m)patriarch.

The only troubling experience during this month will be the need to deal diplomatically and tactfully with a long-standing problem, perhaps with someone at work. A basic personality conflict has been the cause of friction between you and a co-worker, and this can no longer be ignored. Tension will come to a head but there is an opportunity to turn a difficult relationship into one of tolerance and mutual respect.

Your Personal Month for December 2017 is 7

Oprah, December is a 7 Personal Month in a 4 Personal Year. It's a fitting end for this year. You now enter a period of introspection, contemplation, and meditation, similar to that experience in March. December focuses you on inner-growth and soul-searching. However, that is where the similarities end.

December is a much more comfortable time for such an inward-journey and expansion of your consciousness. There will be plenty of opportunity to withdraw, to seek the quiet. Whether you enjoy this time depends on whether you value such an experience.

This has been a year of hard work and, at times, frustration, but the work will pay off. You are now more aware of that, and even that the year was well-spent.

Understanding the value of day-dreaming and contemplation is more difficult as a result of this society's emphasize on action and result. However, the quiet, "un-productive" times of this month will be at least as rewarding, spiritually as well as practically. It allows for deep inner-contentment and a fuller awareness of the love and goodwill of others.

Only the 4 Personal Year closes with such a beautiful and fitting counter-balance to a difficult and busy year.

Your Personal Day-by-Day Forecast for July 2015

Oprah, July is a 9 Personal Month in a 2 Personal Year and is both emotional

and demanding. This is a month to take care of loose ends. Relationships that have been rocky of late will reach critical mass, to be worked out and deepened, or separated entirely. Actually, this is a testing period for relationships in all areas of your life. The 9 and the 2 combination -- both diplomatic, sensitive, and service oriented -- advises that you avoid confrontations. Work with issues quietly and patiently.

At the same time, it is an excellent period to look inward and acknowledge your own needs and desires. Let go of all that you have outgrown, including people, situations, material objects -- anything that you have out-grown. This month is your opportunity to avoid becoming an emotional and/or material packrat. This is the time to empty your cup in order to make room for new gifts coming your way.

This is a transition period. Oprah, you will likely experience deep emotions, even nostalgia and melancholy. At times, you may feel exhausted. Yet, such feelings are not altogether unpleasant. There is a cleansing and healing taking place at a very deep and personal level.

You are not entirely conscious of all that is happening, and consequently you may not be able to express your feelings to others. You may sense that you do not fully understand yourself. Give it time and much will be revealed to you.

An opportunity to be involved in a good cause may present itself and your sacrifice will actually help you achieve stability and inner strength.

This is a good time financially. Some payment may be received for something you'd forgotten, or for reasons you do not expect.

This is a month that requires balance: you are feeling emotional yourself, but at the same time you must also focus on the needs of others. If you indulge too much in your own feelings, especially self-pity, you will suffer more self-doubt than if you remain balanced between your own needs and service to others.

July 1) Decisions needed. Be aggressive. Leadership. Push your ideas, start new projects. Others look at you for direction. You meet someone new. Progress.

July 2) Enhanced sensitivity and intuition. Vivid dreams. Premonitions. You become involved in a dispute and play the role of mediator successfully. Love and romance highly favorable.

Your Personal Day-by-Day Forecast for September 2015

Oprah, September is a 2 Personal Month in a 2 Personal Year. The number 11 -- referred to in numerology as a Master number, and therefore highly charged, sensitive and intuitive -- is also prominent in your life now. You are extremely perceptive.

Dreams are full of insight, and seemingly irrational and creative ideas should be examined seriously. Your most powerful asset right now is your inner antenna that is picking up vibrations that escape others.

Your relationship with co-workers is fragile, but this is due largely to your enhanced sensitivity. Don't take your emotions too serious. Increased sensitivity magnifies and exaggerates emotions. If you fixate too much on them, you'll do yourself a disservice. Overlook slights and let things pass without retort. People will come around.

Romance is still strong, but you must remain realistic. Last months' excitement and infatuation has given rise to self-examination. As with co-workers, long-term relationships and friendships are fragile right now. Again,

Cooperation, tact, patience, tolerance, and forgiveness are the key-words to make this month pleasant and successful.

Your Personal Day-by-Day Forecast for November 2016

Respect, recognition, financial reward come to those who are careful. Financial problems and struggle (some may even experience bankruptcy) come to those who are careless. The more you stay clear and focused, the higher the rewards will be.

If you are due for a raise, ask for it. If a business associate is not fulfilling his/her duties, confront that person. If a payment is due, call it in.

Your Personal Day-by-Day Forecast for December 2017

Oprah, December is a 7 Personal Month in a 4 Personal Year. It's a fitting end for this year. You now enter a period of introspection, contemplation, and meditation, similar to that experience in March. December focuses you on inner-growth and soul-searching. However, that is where the similarities end.

December is a much more comfortable time for such an inward-journey and expansion of your consciousness. There will be plenty of opportunity to withdraw, to seek the quiet. Whether you enjoy this time depends on whether you value such an experience.

This has been a year of hard work and, at times, frustration, but the work will pay off. You are now more aware of that, and even that the year was well-spent.

Understanding the value of day-dreaming and contemplation is more difficult as a result of this society's emphasize on action and result. However, the quiet, "un-productive" times of this month will be at least as rewarding, spiritually as well as practically.
